WHEN driving a binder it's aggravating to have to stop because "the twine went wrong."

Sometimes the trouble is a bad spot in the twine—sometimes a tangled ball. Such delays are the real price you pay for cheap twine.

PLYMOUTH TWINE

speeds up the work—cuts down the costs.

Plymouth is stronger and ties more bundles than any other brand. The quality never varies and the balls don't fall down. If you want an easy and economical harvest, get your twine from us. And take our advice, order Plymouth EARLY.
