QUARTERLY MEETING OF T. A. & B. SOCIETY

Held Yesterday and Twelve Applicants and Two Transfers Were Added to Membership.

"BE SOBER AND WATCH."

The first quarterly meeting of the T. A. & B. Society for 1914 was held yesterday afternoon when 12 applicants and 2 transfers were admitted to membership.

The Rev. Spiritual Director Jos. Pippy, who was there, entertained the large audience present by delivering a most learned and instructive discourse which extended over half an hour and was listened to with rapt attention, meeting with thunderous applause at its conclusion.

Father Pippy is becoming more popular with the boys of the "cold water army" every day and the hope expressed yesterday by members was that the young cleric may be spared many years to watch over the spiritual affairs of the Society.

The presiding officer, L. I. Griffin, was much pleased with the progressive reports from the Society's club and band, but especially that of the Juvenile Branch and Savings Bank department, both of which are doing excellent work. Needless to say they met with unanimous approval of the meeting.

The plan of the suggested alterations in club and band rooms as submitted by the Executive were with some alterations adopted.

The club's chairman, Mr. P. Hynes, is to be congratulated on his executive abilities in managing these affairs to the satisfaction of all interested in the internal workings of the club.
