"How does that look, eh?" said a

A WITT COMPLISEES.—So witty a compliment is rarely made as this of Sydney Smill's to his friends, Mrs. Tight and Mrs. Cuffe: "Ah, there you care in the complex of the state o

"Their unjust," exclaimed a traveller, when informed by the conductor of a railroad trail that the price of passage had been recently doubled. "True," replied the traine official, as he took the passager's eash; "it is hard, but then it is fare."

Lucin it is first.

A couple of barrierers engaged in a case, were recently discussing the issue. At all events, said the younger and more enthalastic, "we have justice on more enthalastic," we have justice on more enthalastic, "we have justice on form of the other and more were than the other and more in the other and the property of the other and the other and more were than the other and the other and the other and more were than the other and the other and the other and more were than the other and the other an
