THE BORDEN MONUMENT

A fac simile of the monument erected in South Africa over the grave of Major Harold Borden by his fellow-men, has just been completed by Sanford and Sons monument builders. This will be erected in the family plot at Canning in the near future. It is highly polished on two sides, while the remainder is in the rough. It consists of three sections, the base, pedestal and a cross. The face and back of the mound are polished and on the front is the following inscription:

Harold Lotthrop Borden,
Born May 23, 1876 at Canning
Died July 16, 1900, in South Africa.
He gave his life for his country.

The inscription on the opposite side is as follows:

In memory of
Major Harold Lotthrop Borden,
1st Battalion Canadian M. R.
Only son of Hon. F. W. Borden,
Minister of Militia, Canada,

Aged 24
Killed in action at Riet Vlei, 16th July, 1900, having been mentioned well in despatches

On the base is inscribed the following: This stone is a fac simile of the one at the grave at Riet Vlei, near Pretoria, South Africa, upon which appears the above inscription.

DALHOUSIE

Changeable weather, one day our fields are white and the next they show the frozen surface and brown stubble.

Much fur has been caught this season in the woods. The bear, the fox, the caribou, the otter, the muskrat have yielded their life in consequence of the wiles of the hunter and trapper.

A cow and calf moose were tracked across the wild part of the church lot. We think they must be more religious than the churchmen of this neighborhood, as the moose keep close to the church while they keep afar off.

Simeon Wenzel of Posters Settlement, shot or caught three bears to the south and east of us, somewhere in the region of the Nine Mile or Sherbrook lake.

A moose was found to have yarded just beyond our line, near Saturday lake. They appear to be travelling quite near.

But very few of our citizens have time for hunting, but it must be fine sport this season.

The rabbits are plenty but very wary. Another mound in the R. C. cemetery, Annie Leith only child of Geo. H. and Lizzie R. Patterson of Tremont.

Lumbermen are to be seen every day in the week travelling from camp to camp, looking for the best jobs. Such is the way of youth.

E. D. Davison M. P. P., is kept pretty busy between cases of state and profit, he is the V. P. of The E. D. Davison Sons, Lumber Manufacturers.

We had the pleasure of meeting and conversing with W. Whitfield Neily of N. Kingston, who is doing business here in the undertaking line.

Dalhousie is pretty healthy just now despite the weather.

BENTLEY'S Liniment is a strong White Liniment. Penetrating, powerful, yet clean to use. It is a reliable remedy for Sprains or Strains. Pains in the back or chest. For bruises, cuts and burns it will be found the best thing to use. Put up in two sizes, 10 and 25c.
