

T affords us much pleasure to announce to the people that we are about to give them a great benefit. We have always been known as one of the most enterprising firms in this section, and we have sold the best goods in nearly every case lower than others. We believe it is right to do the best we can by our patrons, thereby securing not only the largest amount of trade but also the greatest number of friends. Our stock of Dry Goods for the fall trade has been well bought and includes the newest and best of property hims. everything,

We want everybody to see that we are not trying to see how few goods we can give you for a dollar, but how many,

Please call and receive card, and as purchases are made at our store the card will be punched, and when goods to the amount called for by the card have been bought we will give you a magnificent book entitled, Webster's Encyclopædia of Useful Information and World's Itlas, or your choice of three pieces of Silverware. You are not required to trade the whole amount at once, but can take six months, one year or two years.

This volume is worth \$6.00 to any person or any family and is really a household necessity. Notwithstanding the fact that we have the reputation of selling goods cheaper than anyone else, our prices will still be as low if not lower than before. We will be amply repaid for the great expense we have incurred by selling to our regular customers and by enjoying the trade of scores of new ones.

In order to ge the right to distribute this valuable book, we were obliged to order enough to supply one to every family for miles around. Visit us at once, examine our stock and prices, and be convinced that you can do better with us than anywhere else.

It is surprising the number of ratepayers who have allowed the statute labor tax was duly notified (we believe in writing) as well as through the columns of the Reporter that after the 1st day of July they would be compelled to pay \$1 instead of the commentation of 75c per day, if paid before that date. The fixing of the price per day for statute labor was done by by law and the officers entrusted with the collection of the money had no other recourse than to refuse to accept thing but the full amount when not paid before the 1st of July.
