As no doubt you are aware the snow blockade on the railroads brings in goods weeks behind their time. This has been responsible for some doubling up of our orders, and in some lines we now have too much.

Our Olive stock we find heavier than it should be at this time of the year, and we have cut our prices to reduce our stock quickly. This is a chance for you to buy really fine olives at very low prices. You can depend on their high quality as we had them specially selected.

SATCHEL OF THE SATELLITE

To clean sidewalks use sandpaper.

It looked this morning as if March had arrived a week early.

Five days gone by and nothing doing in by-law enforcement.

It was a good thing for many citizens last night that Chatham is a prohibition town on Sundays.

Well, there is one thing in favor of rain. It takes less labor to clean it off the sidewalks than snow.

The wicked stand in slippery places. I know that all the church-goers in this city are not wicked. They tell.

A man with skates on could get around all right last night, but the man with a skate on had no license to be out.

Harry Clark, who so successfully staged Robin Hood, will put on a vaudeville show of his own at the Grand Opera House, Thursday night.

My pal, George Perrin, alias, Bill, a clever article. He says that his father has a habit of saying "What?" every time George asks him a question, hence the following—

George—Father, I want to borrow a dollar from you.

Father—What?

George—I want to borrow \$2 from you.

Father—Never mind, George, I heard you the first time.

AN APPEAL FROM B. C.

There is room for a car load of new girls in this town. The proportion between the number of men and the number of young ladies is growing exceedingly distressing. There are plenty of damsels in the eastern provinces who have no possible escape from old maidhood and corkcrew curls, if they remain in that country, but who could be soon transformed into the sunshine of some man's home if they came out to the far famed banana belt of South East Kootenay.

HE'S WELL KNOWN IN PORT HOPE

Mr. Chas. Gilchrist Declares
Dodd's Kidney Pills Cured
His Diabetes.

He Suffered for Ten Years and Could
Get no Relief Till He Tried The
Great Canadian Kidney Remedy.

Port Hope, Ont., Feb. 22.—(Special).

It has long been admitted that what will cure Diabetes, will cure any form of Kidney Disease, and Dodd's Kidney Pills have cured the long-standing Diabetes of Charles Gilchrist of this place.

Mr. Gilchrist is easily one of the best known men in Port Hope. For fifteen years he was Chief of Police and for twenty-two years Fishery Officer of the Dominion Government.

When asked regarding his cure, he had no hesitation in saying it was caused by Dodd's Kidney Pills and nothing else.

"I had Diabetes and Kidney Disorder for ten years," he said. "My urine was thick, brickdust, and I had a terrible backache. I tried doctors, tried everything, but could get no help till I was advised to try Dodd's Kidney Pills. I commenced taking them, soon began to get better and am quite well now. If I had not used Dodd's Kidney Pills I am sure I would have been in my grave."

Sound Kidneys take all impurities out of the blood. Dodd's Kidney Pills make sound Kidneys. They are the greatest tonic of the age.

BOARD OF THANKS

A special meeting of the Ladies Assisting Society was held at the home of Miss McKeough, Head street, Wednesday afternoon. After all the different reports were brought in, it was found that the Society had cleared \$230 from the sale recently held at Mr. Austin's store, for which the ladies passed a hearty vote of thanks to Mr. Austin and his obliging staff of clerks, also to Mr. Easter for butler, Mr. Malcolmson for coffee, Mr. Richards for candy, Odd-fellows for dishes, Mr. Westman for stove, Mr. Babcock for loan of piano, and all the young girls who so kindly assisted in the refreshment room.

The first floor was kept bright with music furnished by some of our talented young musicians. Special mention should be made of the ladies who had charge of the home-made candy booth, they having cleared over forty dollars. The next meeting will be the annual.

When we have something saved for rainy day it invariably snows instead.

We get out of life just what we put into it; the world has for us just what we have for it.

ONE ON ARCHIE	THEIR NATIONAL HYMNS	RUSSIAN.
Ald. Archie McColl's friends are cautiously avoiding the subject of curling, in their conversations with him now. Archie has enjoyed the reputation of being one of Chatham's crack curlers. One day last week he challenged Ald. Mounter to a game and the result was rather discouraging for Archie. The score was 19 to 1 for E. A. This accounts for the fact that Archie has not been near the rink since.	General Alexis F. von Lvoff. (1799-1870) God the All-terrible. SUDDENLY CALLED A very sudden death occurred in the city last evening when John Merritt, one of the oldest residents of the county, dropped dead from heart failure. Mr. Merritt lived with his son-in-law, Arthur Bedford, William street. He had not been ill and his death has come as a shock to his family. Deceased was a former resident of Chatham township, and for a great many years farmed near Walkerville. He was well known throughout the county and greatly respected by all who knew him. The funeral will take place to-morrow afternoon to the Maple Leaf Cemetery.
