

COMPENSATION BOARD WON IMPORTANT SUIT

Judgment for \$20,852 was given for the Workmen's Compensation Board against the Bathurst Co., Ltd., by Mr. Justice Barry Thursday morning. The case was tried before Mr. Justice Barry without a jury, on a claim against the company for a balance remaining unpaid on their 1920 assessment after about \$17,000 had been paid by them. The defense raised thirteen points of law and fact, all of which were decided against them, and a counterclaim for a balance which they claimed should be allowed them for their 1919 assessment was disallowed. Mr. Justice Barry decided that the provincial act was good law and intra vires of the New Brunswick legislature regarding methods of taxation which the company claimed were indirect and consequently fell within the jurisdiction of the federal parliament. He also held that board allowed to workmen could properly be classed as wages. He directed that judgment for the full amount be entered for the plaintiffs, the defendants to pay the costs of the suit. Dr. W.B. Wallace, K. C., appeared for the board in the action, and M. G. Teed, K. C., and George Gilbert, K. C., Bathurst, for the company.

The Kidneys

The office man and the outdoor worker suffer alike from derangements of the kidneys.

Backaches and headaches are among the symptoms. In some cases Bright's disease soon develops, others suffer from high blood pressure until hardening of the arteries sets in.

In order to forestall painful and fatal diseases prompt action should be taken at the first sign of trouble.

Mr. A. D. MacKinnon, Kirkwood, Inverness county, N.S., writes:

"I can highly recommend Dr. Chase's Kidney-Liver Pills to all suffering from weak kidneys. I suffered from kidney disease for a long time. I may also say that for three years I was nearly always troubled with headaches, and no treatment seemed to do more than afford temporary relief. I was finally told of Dr. Chase's Kidney-Liver Pills, and after using a few boxes was completely relieved. I have also used Dr. Chase's Ointment with the best results, and never fail to recommend these wonderful remedies."

PEACE CONFERENCE TO BE CALLED

Paris, Sept. 20.—Definite assurance that there will be no war in the Near East and the calling of a peace conference for the settlement of the Turkist problem were the chief results of the Allied meeting this afternoon. Premier Poincare, Lord Curzon and Count Sforza were the participants in the conference. The eight interested powers including the Angora government will gather around the peace table within three weeks, probably at Rome or Venice, and make a new treaty with Turkey to take the place of the Treaty of Sevres.

The eight nations called together are Great Britain, France, Italy, Japan, Turkey, Greece, Roumania and Jugo-Slavia. Japan's inclusion at the last minute came as a considerable surprise. It was due to Lord Curzon's insistence. The British Foreign Secretary told Premier Poincare that his government frankly feared the close connection which it had reason to believe exists between Moscow and Angora and Japan's presence was desired to offset this Bolshevik influence. It was also explained that Japan was a signatory of the Treaty of Sevres, which is to be abandoned for the new agreement and was therefore entitled to be present for that reason. It is remarked in French circles, however, that the participation of Japan insures votes for British policy in any issue which may arise in the conference. M. Poincare in consenting to the presence of Japan, demanded also the presence of Roumania and Jugo-Slavia.
