POOR DOCUMENT

Five Kisses.

The Toronto Methodist Conference is worried over the following osculatory John N. Genin, a hatter, a sketch of his exertions of a reverend gentleman :- success in advertising. He would have Rev. N. R. Willoughby was for several as soon believed that men could live years pastor of the Bloor-street Methodist | without air, that fish could live without Church, Yorkville. In 1880 he was water, that a bird could fly without wings 1 case Horn & Rubber Dressing Combes President of the Toronto Conference. In as a hatter could live without placing his that year he was assigned to Brampton business before the public. With him station, much to the satisfaction of a advertising was a science, and he carried majority of the congregation. Among it on upon scientific principles. When his strongest friends was Mr. Graham. John N. Genin put his name in the When he arrived in Brampton to take papers or his goods in the market, people 5 gross Davidson's Rubber Nipples; charge, the parsonage was being repaired, read it. Sometimes the intelligence to and the new minister was therefore in- be given to the world was done up in vited to remain at Mr. Graham's house poetical effusion—at other times in 5 gross Alcock's and Seabury & Johnson's until his own house was ready for his plain prose; but the principal feature of reception. Mr. and Mrs. Graham went the advertisement was John N. Genin. off on a trip about that time, leaving It is the same principal feature that has their guest in the care of the other mem- been so successfully carried out by 18 dozen Wade & Butcher's Razors; bers of the family, among whom was Barnum and other men who have made Miss Georgie Graham, their daughter, collosal fortunes. "Come and see me, the young lady before alluded to.

Though access to the only infallible source of information was denied, the Genin said this was just the argument he used when Barnum brought Jenny Lind source of information was denied, the substance of the case against Mr. Willoughby was obtained from outside sources. The young lady, it is understood, claims that one Sunday evening about ten days after Mr. Willoughby first came to her father's house, while she was going through the hall, he came out of the parlor, and catching hold of her suddenly, kissed her. She rebuked him, and said that she would tell Mr. Star, then her affianced, who was at the time preaching in Peterboro. He said advanced to Miss Graham, who was between his hands kissed her. It is stated that Star, who at the time came from the verandah where he had been closing the French windows, saw this to a friend, who, however, insisted upon letting Mr. Graham know, and thus the charges came to be made.

and this effort proving unsuccessful, the world, asking him to decide bets made defeated party, it is said, has never been as to the amount paid for the tickets. willing to work harmoniously with the The original ticket is in possession of his rest of the congregation under his minis- son, and he shows it with a commendable try. As there were no witnesses present degree of pride.—N. Y. Clothier and on any but one of the occasions referred Hatter. to in the evidence for the prosecution. Mr. Willoughby is practically called upon to prove a negative—an impossibility, according to the jurists.

MR. WILLOUGHBY'S CASE. His friends seem to rest their faith on charges would not be pressed. Again, when the Conference met the charges suggestion was made to the accused that will be produced to snow that Mr. Star whose crater has been estimated to be was on the most familiar terms with the pastor even after the alleged offence was

"Why, I can't," she gasped out. "We'll bring it back in half an hour."

are you?"
"We live around the corner—just moved in, and we want to be neighborly. ing what was demanded of him, ambled I tried to borrow your wheelbarrow and up to the lady, selected a ticket with shovel, but your boy wouldn't lend 'em, much deliberation and swallowed it.

A Novel Advertising Dodge.

Some years ago we obtained from Mr. and then I'll show you my goods." There is the whole thing in a nutshell. Mr.

seated on the sofa, and taking her face ant crowd seized the supposititious Genin, lifted him' upon their shoulders, and bore him in triumph to Genin's store. The news had preceded the crowd, however, and before they had salute, and that in the morning he reached the store it was filled with a warmly cautioned Mr. Willoughby against shouting, excited mass of congratulating friends. Genin was the hero of the hour. a repetition of such liberties. On three other occasions, it is said, the new minisother occasions, it is said, the new minister tried to kiss her, and that the last time he was by her shown the door. She said nothing about the matter until about three months ago, when she confided it three months ago, when she confided it Genin made an arrangement with the news editor of one of the morning papers to clip out and hand to him every article he could find in his exchanges in relation to the matter. These he care-As in every case of this kind the min-fully preserved, making a calculation at ister has many friends. There is little the regular rates of advertising per line, doubt but that the sympathy of a majority until it had reached the enormous sum of his people is with their pastor, many of \$80,000, when he ceased longer to keep of whom believe that in this case he has account, and quietly remarked to some not been fairly treated. Mr. Willoughby's of the doubting Thomases who had friends make no secret of their belief questioned the wisdom of the investment: that the whole affair has arranged to give "See there! I have already in my posseseffect to the spite of a clique in the church sion \$80,000 of advertising, for which against the pastor. At the time it was only paid \$225, and don't know how decided to ask for Mr. Willoughby's apmuch remains to come in." Up to the · pointment to Brampton there was a strong time of his death he continued to reeffort made to secure another gentleman, ceive letters from different parts of the

The greatest active volcano in respect of eruptive force is probably Hecla, on the southwest coast of Iceland, though Vesuvius, on the east side of the Bay of Naples, may be said to dispute the palm several incidents which seem to them to with it. Hecla rises to a height of 5,110 prove that the prosecutors themselves do feet above the sea, and is surrounded by not believe their own case. It is stated that Mr. Willoughby received a letter from Mr. Graham, while yet the affair was in its infancy, that if he would leave was in its infancy, that if he would leave was in its infancy, that if he would leave was in its infancy, that if he would leave was an abundant fact in death.

It is a superficient stamps.

I. S. JOHNSON & CO., Boston, Mass., formerly Bangor, Me. at the end of the then current year the is a little over one hundred feet in depth. Since A. D. 900 forty-three of its eruptions have been recorded, five of which were were not handed in, it is claimed until a simultaneous, or nearly so, with those of Vesuvius, and four with those of Ætna he should not ask to be returned to Brampton, in which case no further action would be taken. He stoutly declared his intention, however, of facing his opponents, and of fighting the case through to the end. It is said also that evidence by the sale with those of both. Vesuvius rises 4,948 above the sea level. Its crater is 1,500 feet in diameter and 500 feet deep. The craters of both these famous volcanoes are far exceeded in dimensions by that of the "mountain of fire" of Sicily, whose crater has been estimated to be and one with those of both. Vesuvius rises 4,948 above the sea level. Its crater how travelling in this country, says that most of the Horse and Cattle Powders sold here are worthless trash. He says that Sheridan's Condition Powders are absolutely pure and immensely valuable. Nothing on earth will make hens lay like Sheridan's Condition Powders. Dose, one teaspoonful to one pint food. Sold everywhere, or sent by mail for eight letter stamps. I. S. JOHNSON & CO., Boston, Mass., formerly Bangor, Me. he should not ask to be returned to and one with those of both. Vesuvius

four miles in circumference and 800 feet in depth. committed; but, on the other hand, it is It was a superstition in the good old claimed that an ample apology was offered times that if one could secure a lottery and accepted before their friendship was ticket, the number of which had been selected by a madman it would infallibly ANXIOUS TO BE NEIGHBORLY.—He was prove a winning one. Once upon a time 3 Tons Fine Ground Bones. a small boy, with dirt on his nose and a Madame de Pompadour secured the numfaded straw hat on his head, and feet unwashed. He walked boldly up the steps, having inscribed each upon a piece of pulled the bell, and when the lady came paper set forth for the asylum, where she paper set forth for the asylum set for desired the superintendent to lend her a lunatic. The superintendent obligingly complied, and the lunatic having been brought in, Madame, with her sweetest Tools from the American and Canadian Manufacturers direct, and for sale Wholesale and Retail complied, and the lunatic having been smile and most impressive pantomime, "But I can't lend it, child.
