y

ons when our funds are low, Subscribers are provoking slow, And few supplies keep up the flow, Of dimes departing rapidly.

The second second

But we will see a sadder sight, When duns pour in from morn to night. Commanding every sixpence bright To be forked over speedily.

Our bonds and due bills are arrayed, Each seal and signature displayed; The holders vow they must be paid, With threats of law and chancery.

Then to dispair we re almost driven, There's precious little use of livin' When our last copper's rudely riven From hands that hold it lovingly.

But larger yet those bills shall grow, When interest's added on below Lengthening our chin a foot or so When gazing at them hopelessly

'Tis so, that scarce have we begun To plead for time upon a dun, Before here comes another one, Demanding pay ferociously.

The prospect darkens—on, ye brave! Who would our very bacon save; Waive, patron, all thy pretexts, waive, And pay the printer cheerfully

Ah! it would yield us pleasure sweet, A few delinquents now to meet Asking of us a clear receipt, For papers taken regularly.

Fun and Fancu.

"HEAVY BRIGADE."

The Incident that Tennyson's New Poem is Based on-Interesting Historical

Moving along the valley with some seven hundred troops, well within the British where," said a roguish boy, "I hope you won't buy any more gunpowder tea for mother." "Why not?" "Because every time she drinks it she blows us up!" "Go to bed, sir, immediately."

Here screet, the supposed, he was astonished to see a body of three thousand Russian Horse emerge along the top of the ridge, half a mile away. Immediately they bore down on his squadrons, which were without support and which indeed, were Hens scratch the flower-beds only so divided that less than three hundred when they are barefooted. It is strange no one has ever thought to go into the garden and "shoo" the hens to keep them from doing damage.

so divided that less than three hundred of the Inniskillens and Scots Greys were immediately at hand. While facing this little troop about to the left and getting his men in order, the Russians drew ting his men in order, the Russians drew A man who was sentenced to 99 years up to within a few hundred yards, and imprisonment in Texas appealed for for some unaccountable reason halted, pace against the Russian centre. In the "Oh, yes, and do you know, we saw a camel there that screwed its mouth and eyes around awfully, and sister said it looked like you when you are reciting poetry at evening parties."

desyred in their charge up the fill by the ropes of a camp not yet quite struck. Mounted on powerful horses, he and his three attendants, Elliott, hisaide-de-camp a trumpeter and the gigantic orderly, Shegog, broke right through the Russian light and his three had a structured by the following poetry at evening parties." The editors complains bitterly and justly of this deed of shame. He says, in effect that "some enemy hath done this." Perhaps some German immigrant mistook it for a limburger cheese, and took a little one for a scent.—[Winnipeg Sun.

While Colonel — was out shooting on his estate one day he was acosted by an old man, evidently in great distress. "Colonel, I hae come t' beg fra ye," said the old man, with tears in his eyes, "though it grieves me sair to think that I hae served Her Majesty for mony a lang year." The old Colonel was moved with pity at seeing an old soldier reduced to such poverty. "Here are five shillings for you," said he, handing him the money; but you have not told me in what capacity you served Her Ma'esty."

"Well, to mak a short story o' it, I got the remainder of the Heavy British. Seldom had an engagement been more exciting, and in the more with the latter the right and left and had then closed to embrace the fated British, as in the hug of a bear, were now smitten in their rear by the remainder of the Heavy British the Russians into utter disorder, and they hurried confusedly up and over the hill, leaving the field in the hands of the British. Seldom had an engagement been more exciting, and soldiers, who occupied neighboring crests and whose vision was not cut off by any

Antoinette styles will prevail in Nova Scotia a few years ago with the effort of last pick.

cide that the public interests have been bartered away and betrayed —that the man they once believed in as the Apostle of Retrenchment has become THE GREAT HIGH PRIEST OF JOBBERY AND CORRUPTION? Who then shall restrain limits to their just indignation as they take him, loaded down though he may be with the share of the offerings that fall to the priest, and impale him upon the horns of the altar at which he ministers!"

Now, there is something like a peroration. It has the ring of sincerity, of conviction, about it that carries us away irresistibly on the stream of eloquence exerted in a good cause. It was hard on the Doctor, no doubt, but, as another and more celebrated Doctor has said— "It is true!" At least Mr. McLelan has never said it was not, nor has he ever expressed repentance for saying it. —[Ottawa Free Press.

Essay on Spring.

a season much sung about by poets. It is a season that moves people—especially about the 1st of May.

It is the season for raising things. The first thing generally raised in the spring is—the rent. After that comes converged the season decrease of the season of the s

spring radishes and greens.
Insects also come in the spring. The
mosquito consults his ledger and makes ont his bills for the summer. Earwigs lay in a fresh supply of logs. Domestic and household insects resuscitate them-selves and crawl and bite in their little

beds. All nature stirs. Spring also stirs up the theatrical binations and the menageries. The binations and the menageries. The binations and the menageries. Woman's True Friend. A friend in need is a friend indeed.

This none can deny, especially when assistance is rendered when one is sorely afflicted with disease, more particularly those complaints and weaknesses so common to our female population. Every woman should know that Electric Bitters are woman's true friend, and will positively restore her to health, even when all other remedies fail, A single trial always proves our assertion. They are pleasant to the taste and only cost fifty cents a bottle. Sold by all druggists.

We call the special attention of post-nasters and subscribers to the following

synopsis of the newspaper laws:

1. A postmaster is required to give notice by letter (returning a paper does not answer the law) when a subscriber does not take his paper out of the office, and state the reasons for its not being taken. Any neglect to do so makes the for payment.

row dresses.

Silver hair-pins are used by gray-hair-cluding flourish. But even that, carefully studied and got by rote though it was, only raised a ripple of smiles. The antiquated puerility of a peroration suited the man and his position, but it lacked the force and fire of those earlier efforts of his with which we have recently become familiar. Let any one who desires to ascertain how sadly Mr. McLelan has deteriorated as a perorator compare the deteriorated as a perorator compare the site of the season.

Satin-faced reppet sitk will supersede willed satins.

3. Any person who takes a paper from the post-office, whether directed to his name or another, or whether he has subscr.bed or not, is responsible for the pay.

Nova Scotia a few years ago with the elfort of last night:

"But, Mr. Speaker, if having brought it here for investigation in the discharge public duty, what if the people should, on examination of it, decide that the public interests have been bartered away and betrayed

4. If a subscriber orders his paper to be stopped at a certain time, and the publisher continues to send, the subscriber is bound to pay for it if he takes it out of the post-office. This proceeds upon the ground that a man must pay for what he uses.

5. The courts have decided that refus ing to take a newspaper and periodicals from the post-office, or removing and leaving them uncalled for, is prima facia evidence of intentional fraud.

Bucklen's Arnica Salve.

The best salve in the world for Cuts, Bruises, Ulcers, Salt Rheum, Fever Sores, Tetter, Chapped Hands, Chilblains, Corns, and all Skin Eruptions, and positively cures Piles. It is guaranteed to give perfect satisfaction, or money refunded. Price 25 cents per box. For sale by Geo. Rhynas. 1830 ly.

Nature, after all, is the great physician. She hides all the secrets of health within her broad, generous bosom, and man needs but to go to her intelligently for his every need. The discovery of the great Cough Remedy, Gray's Syrup Spring is the time for sowing. In the of RED SPRUCE GUM, is an apt illustra-Spring is the time for sowing. In the city women sew shirts at forty-five cents per dozen. In the city, also, the wicked sow tares and reap tears. And everywhere in the springtime men sow the wind and reap the whirlwind. Spring is a season much sung about by poets. It all chemists keep it in 25 and 50-cent lostless and solves people—especially lostless and solves people and solves people lostless people lostless
