Alberta a right that is granted her by. law in every other province of Canada. It will receive its first reading shortly.

BUNN FOR TRIAL Another criminal case has been set down for trial at the spring assizes of the Supreme court next week, bringing the total number of criminal cases up to fifteen. This is the case of Rex vs. Bunn, an assault case. This action is the result of a fight which took place at Athabasca Landing last spring just as the boats were leaving the north with the fur traders. Some halfbreeds became intoxicated and refused to man the boats and start on their northward trip. A fight occurred in which Charlie Bunn, the accused, is charged with having assaulted a halfbreed, inflicting serious bodily injury. The case will be tried next week. It was laid over from the fall assizes as several of the witnesses

were in the north.

For the criminal and civil cases to be tried by jury, 25 jurymen have been summoned. These are to receive from jury instead of \$2, as formerly.

MURDER SUSPECT CAUGHT.

Maxime Phillips, wanted at Macleod on a charge of murdering a prostitute, Monty Lewis, was arrested by Sergeant Watt near Andrew last night. He will be taken to Macleod Sergeant Watt for a preliminary

ROBERTS FOUND GUILTY.

VOLUME V.

HON. MR. OLIVER TIMBER DEBA

Minister of Interior Makes Con sons Between Present Admini tion and Conservative.

Ottawa, Feb. 4.-Hon. W. S. ing today laid on the table relating to the arrangements v western provinces for supplyi He began with a reply to He Motherwell, minister of agricu Saskatchewan, who called the tion of the government to tl November. Hon. Mr. Oliver correspondence disclain bility on behalf of the Dominic ing the Manitoba statutes in reg the latter's control over prov municipal matters, and advisi new provinces to follow Manitol ample, which had proved satis. The reply of Mr. Motherwell to the magnitude of the want, minion control of public land berta and Saskatchewan, of the al resources and machinery, ma should undertake the work pre He offered to come to Ottawa conference in February. Oliver an earlier date, in order to the affair 'ne way or the other

On January 22, Oliver wired Thomas Shaughnessy, F. W. Th son, of the Ogilvie Company, Robert Meighen, president of th tion as to the situation, and were taking steps to meet i Thomas replied that General Man Whyte was on his way to discommatter with Mr. Oliver and h thority to promise lower rates i occasion, although the company no intention to provide seed. He thought there was a greater n C.N.R. points. Thompson expr a similar view and gave particu grain in store, but could not see to help distribute it. He prothat, Warehouse Commissioner should instruct all buyers and e tor men in the West to place selves at Mr. Castle's disposal ever required. Mr. Meighen exed similar views and a willings co-operate, but said he had of a're required grade. On 28, George Harcourt, deputy came into the negotiation

Debate on Timber Continu A. C. Boyce, Conservative, W. goma, resumed the debate House this afternoon, speaking Lake's resolution calling for an tigation of the interior departm He laid down as the principles should have guided the depart (1) The relative values of the 1 (2) whether it was desirable or sary to immediately dispose timber; (3) the taking of precau against collusion amongst

Hon. Mr. Oliver, minister of th terior, agreed with the stateme Mr. Boyce though from a diff standpoint. The discussion had come a farce. The opposition i that western lumbering was not templated from a revenue-m standpoint, but there was a ne encourage investment in lumber provide lumber for the use of the ole at reasonable prices. Hon. Oliver read from the regulation 1881 wherein this object was set answer to Messrs. Bristol Wright, he said there was a re be operated for a period of six m annually, within a year of the ing of the license, and this on
