WHITE'S PORTLAND CEMENT!

SOLD AT BOWRING'S Retail Store.

A Reminder to HOUSEKEEPERS:

Libby's Evaporated Milk is superior in many respects to ordinary milk

It is pure cow's milk reduced to its present consistency by evaporation.
 It is put up in cans containing a NET weight of 16 ounces.
 By adding one part of water to one part of contents of can a resulting milk product will be obtained which will not be below the American legal standard for ordinary milk.
 The retail price is very little (if anything) higher than the price charged for ordinary milk.
 It is NOT SWEETENED and therefore does not change the flavor of the tea.
 IMPORTANT.—It is carefully sterilized in the process of canning and is guaranteed by Libby, McNeill & Libby to be absolutely pure.

Ask your grocer for a can and try it.
