Heal With Heat!

This cold necessity is a clog of congestion. The blood is congestedly circulating somewhere. Heat relieves the pain and equalizes the circulation. The prompt application of a HOT WATER BOTTLE will cure many ailments quicker than internal medicine—and it's a natural way of curing. This modern appliance is apt to be needed any hour in the house. Costs not little to be without—$1.00 to $2.50, with actual price in between.

Come to us when you need anything a good drug store ought to have—it's ours, and we'll take pleasure in showing you how well we can serve you.
