

When Choosing the Material for a washable Frock for the growing child—

MOTHER naturally thinks of the possibilities of the fabric shrinking in the wash. It is therefore a relief to her to know that the fabric will not shrink or lose its charm if Lux is used for its cleansing.

Durability, charm of colour, quality of texture, the freshness of newness—these are preserved to all good fabrics washed with Lux. A packet of Lux—a bowl of warm water—and dainty hands can cleanse delightful fabrics in a delightfully easy manner.

The beautiful pure Lux flakes are whisked into a creamy, bubbly lather in an instant. Gently squeeze this cleansing foam through and through the soiled texture—then rinse in clean water and hang to dry. Lux cannot harm a silken thread. It coaxes rather than forces the dirt from the clothes.

Packets (two sizes) may be obtained everywhere.

LUX
FOR Dainty Fabrics

LEVER BROTHERS LIMITED, PORT SUNLIGHT, ENGLAND.

We now offer High Grades of two and three-ply Asphalt Roofing, to take the place of the old-fashioned style Tarred Roofing, 2 and 3-ply, at about the same prices; and you do not have to purchase coatings, nails or tins, in the following brands:

"CARCO YELLOW LABEL," a very high grade of Asphalt Roofing, in 2 and 3-ply, complete with nails and cement.

"CARCO RED LABEL," a good grade of Asphalt Roofing, in 1, 2 and 3-ply, cheaper than the ordinary Tarred Roofing.

Breaking the Easter Egg!

Kearney takes a two-fisted punch at old prices.

IMPORTANT! To men whose need for Easter Apparel is urgent, here's where your dollar buys

Fresh, New Easter Goods
at below-market prices,
And Odds and Ends of Old Lines Away for a Trifle.

I'M OPEN!
My Recreated Store

The painter came into a store full of chaos and discordant coloring. He's left it—fresh! shining! new! Step into this pleasant atmosphere. Everything brightened for your visit. Snappy importations standing out in gorgeous relief against the pure white ceiling and the creamy walls.

Everything new except the old-time service, and the old enduring quality and distinction that coined this new slogan, True-Value Kearney.

Read the Easter Advertisements in this Paper.

Remember! No bargain counter offerings! No defective articles! But fresh, new stock and odds and ends of former lines slashed, decimated, to make way for the conquering New Dollar. I'VE BROKEN THE EASTER EGG and let flow rich, creamy offerings at less than you'd pay for the bran.

NO CHARGING! Daily Deliveries. NO APPROVAL.

Buy your Easter Apparel Now!

Miss Furneaux, D.S.T.

TO JUDGE THE "WINDSOR PATENT" EXHIBITION.

We understand that the Government Teacher of Domestic Sciences, Miss Alice E. Furneaux, will judge the big Bread Baking competition to be held at Carbonear on next Thursday week, and on her decisions the three prizes will be awarded.

According as the loaves are received the name and address will be removed and recorded, and a number allotted to all of the exhibits. We may say that the Competition is open to all parts of the country and no entrance fee is charged, the only stipulation being that the loaf must be baked from "Windsor Patent" flour.

We are informed by Messrs. Harvey & Co. Ltd. that the first loaf for the competition reached town on Thursday, having come all the way from Little Bay Mines in Notre Dame Bay. Although baked on March 18th and only ordinarily wrapped, the loaf from outside appearances looks remarkably fresh and moist, which speaks well for the keeping qualities of bread baked from "Windsor Patent" flour.

The competition is evoking great interest everywhere, and aside from the monetary value of the prizes (1st \$20, 2nd \$10, and 3rd \$5) it will be quite a distinction for three ladies to be known as the best bread makers in Newfoundland, and we sincerely hope to see one of the prizes, if not all, captured by competitors from our vicinity who are noted for the good bread they bake.

The competition will be held at Carbonear on Thursday, April 7th, and those intending to compete should address their loaves at once to Mr. Frank Howell, Carbonear, so that they may reach there in full time for the exhibit.

Civic Commission.

WEEKLY MEETING.

The weekly meeting of the Municipal Council was held Thursday afternoon. Acting Mayor Mullaly presided. Counsellors Morris, Peet and Vinicombe were present.

After the minutes of previous meetings were confirmed the following matters were dealt with:

The Colonial Secretary advised notification had been sent the Treasury Department authorizing payment to the Council of amount on hand for Fire Insurance Profits and Telephone Taxes.

The communication of Inspector General Hutchings in reference to the Palace fire which appeared in the daily papers during the past week was placed before the Board at this meeting. The stand taken by the Acting Mayor in this matter met with approval.

Solicitor R. H. Tait asked reconsideration in the claim of truckman Reid for loss of horse. As the Council's solicitor has advised of no liability on the part of the city the Board cannot act otherwise.

Application of K. S. Trappell to erect electric sign will be accorded to subject to the Engineer's approval.

A protest was read from Messrs. Walsh and Hoskins against permit being given Mr. Peckham, Gower St., to install electric motor on his premises. The Acting Mayor and Engineer will visit the place.

Plans were approved as follows:—New hall for Star of Sea Society, Henry Street. Alterations to building, Barter's Hill, for G. Brownrigg. Reports for City Engineer, Health Officer, etc., for week were read.

After the disposing of minor matters and the passing of pay rolls and bills the meeting adjourned.

Methodist College Easter Closing.

The Easter closing at the Methodist College was marked this year by an exhibition of the "hobby" work of the students of the upper school. The display was held in the College Hall on Wednesday afternoon and evening, and was visited by a vast number of the parents and friends of the students. There were many expressions of surprise and delight at the great variety and excellence of the work shown, the opinion being freely stated that this should be an annual event in connection with the activities of the college. It has certainly proved that many of the students find ample time for profitable and cultural occupation at home, in addition to receiving high distinctions each year in the C.H.E. Exams, for it was a significant feature of the exhibition that many of the articles which had needed most time and care in their construction, had been done by just those students who shine well in the examination results of the college.

It would be invidious to mention individual names out of the many students who contributed to the success of the occasion, for all are greatly deserving of mention. There were some capital examples of fancy work of all kinds from the girls of all grades, and some really excellent water color paintings from the Preliminary Girls' class. The boys shone in work of a distinctively masculine character, from a model of a Morris chair, a fine pen and ink sketch of the Eiffel Tower and electrically driven motor car, made from the Meccano outfits, and lastly, two 'wireless' outfits. Altogether it was a fine conception on the part of the staff of the college to arrange for such a display, and we sincerely hope that what has this year been a hastily-devised, yet very successful innovation, will become permanently a feature of the college activities, ranking among its public functions, even beyond the annual prize distribution in importance.—Com.

Obituary.

PHILIP HICKS.

There passed peacefully away at his home at Carmanville on the 19th inst., a well known citizen in the person of Philip Hicks. Born at Bonavista in the year 1845, he saw seventy-six years of the shifting scenes of life in Newfoundland. He was one of seven brothers who were the pioneers of Carmanville and carved out homes for themselves and families there forty-five years ago. A descendant of an old Devonshire family he was a true sailor and spent the greater part of his life as master of a vessel in carrying on the Labrador and Bank fisheries. He was a respected citizen, unselfish and generous and was a strong factor in shaping life at Carmanville in the early days. He leaves to mourn him two brothers, two sons and two daughters at Carmanville, and one son at Grand Falls, besides a large circle of relatives and friends, to whom general sympathy is extended.

From Cape Race.

CAPE RACE, To-day. Wind S.W. light, weather raining; ice in sight south and west, packing on land. The schooner Isabel Moore passed in Thursday, and steamer Clyde went yesterday; nothing sighted to-day. Bar. 30.10; Ther. 34.

Store Burgled.

Some party or parties unknown forced an entrance between the hours of 10.30 p.m. Thursday and 9 a.m. yesterday, into the shop of Mr. W. White-

way, Prince of Wales Street, and stole a large quantity of goods. The goods stolen were very bulky and it is presumed that more than one person took part in the robbery. The matter is now in the hands of the police.
