STRONG REASONS FOR

## seemed to lend her strength, and she

Buffalo, Sept. 7 .- President McKinley's condition is extremely grave. HE HAS TAKEN NO NOURISH-The crisis will probably come within 24 MENT. hours. While his physicians hold out The president has taken no nourishhope, and the developments of the ment since he was shot. Water is given to him at intervals, but no food day have been encouraging in that none of the symptoms of peritonitis kind as yet. His physicians say that he has plenty of reserve strength to draw upon, and for the or blood-poisoning, which they so present neither nourishment nor artiexperience with similar wounds ficial stimulants are necessary. medicine except digitalis has been givcauses much anxiety and the physien, and that was administered to quiet ians shake their heads gloomily his pulse which mounted this mornwhen they speak of the future. Aling to 146. Both his respiration and though their distinguished patient's temperature, although they varied considerably during the day, were concondition has been favorable throughsidered satisfactory.

On Sunday. ALL REPORTS ENCOURAGING. Buffalo, N. Y., Sept. 8.—(Evening)— Throughout this quiet, peaceful Sab- ed all the time.' bath every word that came from the big vine-clad house in Delaware avenue, in which the stricken chief maglife, was reassuring, and tonight the it is now of more importance that the improved that all of those who have president should recover from the kept patient vigil at his bedside feel improved that all of those who have strongly that his life will be spared. The developments of last night and today were dreaded, but hour after hour passed and the distinguished patient, struggling there beneath the watchful eyes of physicians and trainno signs of inflammation appeared be-fore tomorrow night he would con-symptom. Five times during the day the eminent doctors and surgeons assembled for consultation and each time the verdict was unanimous that change had occurred was for the better. Not the slightest premonitory symptom of peritonius appeared The president has been dozing and the fresh hope born with the

morning, grew stronger and stronger ion of the day. Two physicians and as the day advanced, until toward two trained nurses are constantly at evening the confidence expressed in his bedside. He has not yet fully re-covered from the effects of the ether the president's recovery seemed almost too sanguine. which was administered to him. He Dr. Charles McBurnie, the famous was under the influence of the power-New York surgeon, who had been summoned in consultation, after a thorough examination, in which he sult is that although perfectly rational when conscious, he dozes much of said he had found not a single unfavorable symptom, joined in the last afternoon bulletin, which declared the

### president's condition was satisfactory to all the physicians present. NOT OUT OF DANGER.

And yet, despite all this optimism, With the exception of the physithe president of the republic is by no means out of danger. Not one of his cians and attendants, Mrs. McKinley was the only person who crossed the physicians, not one of his advisers, threshold. The president asked to see who is admitted to the inner councils, her and his physicians did not have has the temerity to go so far as that. the heart to refuse his request. She But if the president continues to imwas there but a few minutes, seated prove for one more day the danger of at his bedside, as he in his devotion to peritonitis, which is most dreaded, will her in her illness has so often been at have practically disappeared. Yesterhers. Mrs. McKinley had been warnday one of the doctors thought 48 ed not to talk, and the president and hours would be the limit of the danger his wife exchanged only a few words. from that source, but his more con-It was only when he asked her to be servative colleagues believe at least 24 brave for both their sakes that she hours, possibly 36 from this time must faltered and almost broke down. With elapse before the possibility of choking throat and brimming eyes peritonitis shall have vanished. That disposed of, still other complications may arise. Blood poisoning might set she promised with a bow of her head. Almost immediately thereafter she in or an abcess form where the bullet Mrs. McKinley throughout this tryis imbedded in the muscles of the tack. ing ordeal has shown remarkable for-Thus far the ball of the assassin, titude. She has been mistress of herwhich is still in the body, gives the self and her sorrow and has been alphysicians no anxiety, but if the most as calm and self-possessed as slightest inflammation appears in the the president himself. And no more than that can be said. Throughout it region of the lead it will be immediately extracted.

### all the president has been cooler than HAD NATURAL SLEEP. those about him. He was so yesterday when the pistol was discharged

All the president's reserve force is against his breast, and he has been so needed now to resist the danger of peritonitis and septic poisoning. sides, if inflammation does not set in around the bullet, it will soon become encysted. All the effects of the ether which was administered on the exposition grounds had disappeared this morning and the president's mind was perfectly clear during the time he was he enjoyed natural sleep. While he was still more or less under the influence of FOR SALE-LONDON LOAN AND Dominion Company's stock. John Wright, stock broker, London, Ont. anesthetic, his slumber was restless and disturbed and did him little good. Today, between 9 and 4 p.m., he had the solace of natural slumber for about four hours, and the physicians stated We have received instructions to offer to the public for a few days a number of E. Z. and McBurney-Beattie high-grade ladies' and gentlemen's wheels at sacrifice prices. We offer also a number of second-hand wheels at the unofficially that his sleep had been quiet and reposeful and had helped the sufferer a great deal. so for the first time nourishment was administered. It was in liquid form, public's own price. These wheels must be sold at once. Call and see our bargains, at 386 Richmond street 64tf and was injected hypodermically avoid the possibility of irritating the walls of the stomach where the sutures are healing. The exterior wound was dressed this morning and is progressing satisfactorily.

## Monday's Developments.

THE PATIENT IS STRONG. part of the crisis in his case without material sacrifice of strength or the City Engineer. appearance of dangerous symptoms. down his eyes rested on the floor,

ley today of the extreme gravity of There was one unsatisfactory note in the case she did not break down; on the contrary, feeble as she is, grief reference to the restless night passed reference to the restless night passed felt that she must bear up for his by the president. The general state of the sufferer remained unchanged, however, a slight decline in temperature and an inclination of the pulse and respiration to return toward normality

> The president was holding feature. his own so far in the crucial hours. STIMULATING DIET. New York, Sept. 9.-Dr. McBurney who has joined the other physician in attendance on President McKinley is quoted in specials from Buffalo as

"The president is nourished by injecting a proper amount of whisky, hot water and raw egg. He is allowed a few swallows of water. He talks to us as we attend him and is clear-head-

THE DANGER OF PERITONITIS. The doctor says that the crisis probably will be reached by Tuesday. Peritonitis will have developed, he says, by Tuesday, if it develops at all. The bullet has neither been seen nor chances of his recovery are so greatly felt since it entered the president's body. No opiates have been used since Saturday and the doctors

will be no necessity to use them. THE ANARCHISTS. Chicago, Sept. 8. — Justice Prindiville, upon application of City Prosecutor Taylor, issued warrants for the cutor Taylor, issued warrants for the cutor Taylor, issued warrants for the cutor Taylor. In a telegraph of three women under arrest, shot yesterday afternoon. In a telegraph of the cutor Papersentative McColl he charging them with conspiracy to as sassinate President McKinley. The charge is "conspiracy to do an illegal act on or about Sept. 5, 1901." Specific very unfortunate, he having occupied act: "Conspiracy to kill and assassinate the president of the United States, Wil- the night that Lincoln was assassinliam McKinley; conspired with Leon Czolgosz, alias Fred C. Neiman." The

# hearing will take place before Justice | president.

Prindiville Monday. MORE ARRESTS. Three more alleged Anarchists were arrested here Saturday afternoon. They were found in the rear of No. 100 Newbury avenue, and were at once taken into custody with the nine arrested pre-viously. They gave their maines as: Martin Fox, J. M. Rosinski, Michael Roz. A quantity of anarchistic literature, pictures of Emma Coldman and others, and copies of "red" news-

papers was seized. ANARCHISTS JUBILANT. Chicago Anarchists, in response to a call issued three days ago, met in a saloon of West Chicago avenue and discussed the attempted assassination of President McKinley. In the speeches delivered in German mention of the name of McKinley brought forth cries of condemnation and there were cheers for the president's assailant. Chief O'Neill, of the police department, received a telegram from Chief Bull, of Buffalo, as follows: "We have in custody Leon Czolgosz, alias Fred C Neiman, the president's assassin. Locate, if possible, L. J. Eseek, who is

editor of some socialistic paper THE CHICAGO SOCIALISTS. Chicago, Sept.9.-Two thousand members of the Socialist party voted down a resolution of regret for the attempted assassination of the president meeting in Bergman's grove, Riverside, yesterday. The argument of those op posed to the resolution was that President McKinley is the representative of the capitalist class, and that his safety or danger are matters of no concern to Socialists.

POLACKS ARE WISER. Chicago Polanders last night denounced the crime of Leon Czolgosz and regretted that he claimed to be of

TALMAGE'S CHARACTERISTIC

EBULLITION. New York, Sept. 9 .- In the course of his sermon at Ocean Grove, N. J., yesterday, Rev. T. De Witt Talmage, of Washington, said: "I wish that police-Hosmer street. Leon at one time was man in Buffalo who seized the pistol | awake today. Today for the first time of the scoundrel who shot our adored president, had taken the butt of the weapon and dashed the man's brains out on the spot." The ten thousand people in the auditorium applauded the

# McKinley's Magnanimity.

SAVED HIS ASSAILANT'S LIFE. Buffalo, Sept. 8 .- After the shock of the assassin's second shot the president spoke audibly to Secretary Cortelyou, although in gasps. The others ( stepped slightly back in order that they might not intrude, but the words came so distinctly that those around could hear. "Be careful about my wife," he said.

Then hesitated, as if in pain, and added. "Do not tell her." He looked at Mr. Cortlyou searching-Buffalo, N. Y., Sept. 9.-President ly to see that he understood. Then McKinley has gone through the early pain seemed to seize him, for he straightened, stiffened somewhat. turned slightly to the left as if to ease

his anguish, and as he settled slowly

# **Bring Your** Prescriptions

EXPECTING RECOVERY! To Us. Sick people can't afford to take any chances when having prescriptions filled. The best physicians in the world can have no success unless the remedies prescribed are made of pure drugs and put up by a competent pharmacist. We take particular pride in keeping our stock pure and in giving extra care to the compounding of prescriptions. There's nothing fancy about our prices-a fair profit is all we want.

Telephone orders promptly filled. Anything delivered, any place, any

CAIRNCROSS & LAWRENCE, Chemists and Druggists. 216 Dundas St., corner Park Ave. upon the man who sought his life. In the excitement of the moment Detective Foster and others had the assassin where his every movement brought an awful thud upon the floor. president eyed him, and a look of pity came into his face. Both his own hands were clasped tightly over his abdomen, but he raised the right one. red with his own blood, and beckoning

his secretary toward him, he looked

toward the prostrate creature in the

aisle and almost pleadingly, but yet with authority, said: "Let no one hurt him." There were those who thought they were the president's last words, and They hasteded to obey him. Without in any degree reflecting on the forbearance of the guards and soldiers, the plain truth is that the intervention of the president saved the life that There is none deny that had the seal of death silenced the president's lips death would have come swiftly to the figure on the floor. It was an inspiring commentary on the crime that the man who did the deed fell groveling, while the pre-

sident stood erect. Even before the ambulance Director of Works Carlton, at the telephone, was summoning surgeons to meet the president when he should have arrived at the hospital. Parker, the big negro, who had helped to seize the assassin, stepping over to where he could see the president, looked at him, and and then, whirling toward Czolgosz, exclaimed: Oh, God, take him away!" Men knew what that meant, and they picked Czolgosz up from the floor as if he were the offal of a pestilence, and half dragged, half carried him out of the presence of the president. In William McKinley never was so truly the president as when in the face of

death he looked pittingly after those who bore his assailant out. AN EYE-WITNESS TO THE CRIME. Charlotte, Mich., Sept. 7 .- Ex-Mayor gram to Representative McColl he gives a graphic description of the afa seat in Ford's Theater, Washington, ated and was an eve-witness to

# Booth's murderous attack on the war

An Anarchist Nest. Chicago, Sept. 7 .- The names of the men arrested last night on the charge of being implicated in the plot to assassinate President McKinley are: Abram Isaak, Abraham Isaak, jun., Hippolyte Havel; Henry Treveglio, Clemens Pfeutzner, Alfred Schneider. The examination of the prisoner lasted until early this morning. Capt. Colleran, chief of the detective bureau, said: "The raid was made in consequence of a telegram from secret service officials in Buffalo asking us to investigate and learn the whereabouts of the headquarters of a paper known as the Free Soclety. We traced the owner to the house at 515 Carroll avenue, and there found the persons arrested, apparently in the mids; of an important meeting. All the prisoners admit they are Anarchists, and do not hesitate to say that they have no regard for the laws as now enforced. Some of the men, I learned, have served terms in prisons in their native countries for attempted crimes, inspired by their anarchistic beliefs. The paper, Free Society, published by Isaak, I have learned, was formerly issued on the Pacific coast, and it was only recently that Isaak opened an of-

### THE ASSASSIN'S HOME. Cleveland, Sept. 7 .- Leon Czolgosz,

the man who shot President McKinley. is said to have formerly kept a saloon at the corner of Third avenue and Tod streets, this city. Later he was employed in one of the mills of the American Steel and Wire Company. Foreman Frank Dalzer, of the galvanizing de-partment of the consolidated mill of the latter company, said today: "I know Leon Czolgosz very well. His father, I believe, lives in the vicinity of Warrensville, Ohio, on a farm. There

are five sons, I think, all residing in

this city. Two or three of them live 'n
