MRS. JOSEPH MATCHETT, Huntsville, Ont., writes; "It gives me much pleasure to write you of the wonderful benefit I have found in your medicine. Last summer it saved the lives of my three little ones. They all took the summer complaint and were very sick with it. The baby would take fits, and after trying many remedies, which were of no use, I suggested we should try Dr. Fowler's Extract of Wild Strawberry. After giving them one bottle I found a great change, and now my little ones are as well as ever. We have never been without it since, and I have recommended it to my friends."

MRS. S. A. HARRISON, Napanee, Ont., writes: "I take great pleasure to send you this testimonial of what Dr. Fowler's Extract of Wild Strawberry has done in our family. My daughter's little girl, three years old, took summer complaint and was nearly dead. After all other remedies failed I thought of your remedy. The first dose gave relief and the third cured her. My son had diarrhoea and a few doses stopped it right away. I advise all mothers to have a bottle of 'Dr. Fowler's on hand all the time. It is a grand medicine for young and old, and I cannot recommend it too highly in all trouble where the bowels become too loose. A few doses will check the trouble at once."

Choose An Executor That Will Not Die

It is serious enough for an executor to carelessly manage an estate, and not maintain an upto-date record of his investments and expenditures. But suppose he shou'd die. Consequences might be serious. Anyway, it would cost money to get affairs in proper order again. Unless there was a second living executor, an administrator would have to be appointed, which is additional expense.

This Company makes an honest, capable, experienced executor.

Strict account is rendered of every dollar invested or expended in the interest of an estate. Our books show how wisely and economically we have discharged our trustshow the exact value of an estate
