CITY OFFICIALS ARE **FAVORABLE TO IDEA** OF TAX EXEMPTION

Matter To Be Investigated as to Its Legality and Practicability.

City officials take kindly to the idea suggested by Ald. G. A. Wenige, that taxes upon all new dwellings erected in the city bt remitted, thereby providing a building boom, employment and re a building boom, employment and ducing rents. However, whether the council has power to enact such a bylaw is a point in question which will be debated by members of the city council before a final decision is reached.

If carried into effect this scheme will mean the remission of approximately mean the remission of approximately \$80,000 in city taxes, or exemption of \$1,500,000 warth of new dwellings, and land valued at \$500,000, at a 40-mill rate. These estimates are based on fig-

ures obtained at the city assessor's office for 1920, where it is estimated dwellings to this value were erected. "There are several good points about this thing, and it is an idea worth con-sidering." Mayor E. S. Little informed The Advertiser this afternoon. "Whe-ther or not we have power to proceed will decide the question."
Something in it.

"There may be something in it, but I will not say anything until I have studied it out," said Ald. W. A. Wilson, chairman of No. 2 committee of the

"Residences could be taken as imthe ratepayers, have a single tax on the land only, and residences the same way. This includes school tax, and a vote of the ratepayers would be recognized to the ratepayers. the ratepayers would be necessary escind such a bylaw. On petition at least 10 per cent of the electors qualified to vote on money bylaws, this proposition would have to be submitted to

and nxtures erected or placed thereon.
"I am satisfied that such exemption can be put through," declared Ald. Wenige today. "I am going to look up the law on it. I have an idea that there was and means of delays it. If it are ways and means of doing it. If it
