BUFFALO. MONDAY, AUG. 19. "The Queen City of the Lakes" has invited all Canada to her second annual International Fair, and a queenly reception will be given to all comers.

Within an arrow's flight of our shores southward the grand, new and perfectly fire-proof hotel, "The Iroquois," prominently attracts attention and is worthy the high praise awarded it.

About the same distance northward is "The Tiff House," famous for the excellence of its table and the geniality of "mine host."

Our stores stand on the site of the famous old American Hotel, burnt down in 1865, and from that circumstance now known as The American Block.

Mr. Park speaker. The question of the fair is one of the most important of the year.

Perhaps large crowds are one of its places, but it is not there that the fair is to be seen.

It is in the city that the fair is to be seen. The fair is a great success.
