THE GREAT MODERN REMEDY

HAS NO EQUALS! KNOWS NO COMPETITORS!

WM. RADAM'S MICROBE KILLER

Is Not a PALLIATIVE, But a CURATIVE!

Hence must not be classed with any other medicine known to the Materia Medica.

If a long-suffering Public, daily imposed upon, will for once allow common-sense to have its way, and investigate for themselves what this Remedy has really accomplished since its first discovery four years ago, there can be but one outcome to such investigation, and that in the favor of this truly remarkable remedy.

We possess thousands of Testimonials, from all parts of the civilized globe bearing witness to MR. W.M. RADAM'S scientific genius and practical demonstrations that

"Microbes Are the True Cause of Disease,"

And that his "Microbe Killer" has successfully grappled with the problem of DESTROYING THESE IN THE BLOOD WITHOUT HARM TO THE PATIENT.

Radam's Microbe Killer is only Pure Water Charged with Powerful Microbe-Destroying Cases

By destroying and removing the Cause of Disease the Disease itself disappears, and it is in this manner that

RADAM'S MICROBE KILLER CURES ALL DISEASES

No Acids, Drugs or Spirits are used in the manufacture of this remedy

Internally Used Cures: ASTHMA, BRONCHITIS, CATARRH, CONSUMPTION, GROUP, CANCER, HAY FEVER, DYSPEPSIA, NEURALGIA, INSOMNIA, LIVER AND KIDNEY TROUBLES, ALL FEMALE COMPLAINTS, BLOOD POISONING, NERVOUS PROSTRATION, RHEUMATISM, SYPHILIS, PILES, ETC.

Externally Used Cures: ERYSIPELAS, ECZEMA, ITCH, TETTER, SALT RHEUM, SWELLINGS, SCALDS, BURNS, BRUISES, PIMPLES, BLOTCHES, ULCERS, ABSCESSSES, SCROFULA AND ERUPTIVE FEVERS.

CONDENSED FACTS

In recommending the Microbe Killer to the afflicted without regard to the name of the disease, we realize that we will meet with a great deal of opposition; you cannot understand how or why it can be that a medicine can cure so many different diseases, so unlike in their character and symptoms. Many with a combination of diseases have had their physicians say to them, "The medicine I give is not like any other medicine ever before discovered—the theory is entirely different—its action is different. It is due to fermentation; wherever there is fermentation there is germ life. How can a remedy be expected to actually cure that disease, unless it will destroy the germ life? If cannot possibly do so; you are wasting money and perhaps taking chances of losing your life by continuing them."

"We further make the positive assertion that Radam's Microbe Killer will stop fermentation, will destroy these microbes, and that the germ life is the world that will do it; at the same time it will injure no one, even a babe."

"The proof of the pudding lies in the eating of it." Hence, try our remedy, and we stand ready to abide your decision, willing to shut up shop if our claims are not substantially proven by your own self."

Call in person or write for information regarding your case; experienced persons connected with us will cheerfully furnish you free of all charge full particulars.

Be it young or old, either sex, none should be afraid nor ashamed to enquire into the merits or demerits of a remedy claiming to possess all qualifications necessary to relieve them from further suffering. No matter what name your disease may be called, Microbe is the cause, and Microbe Killer destroys them.

Where Can This Remedy Be Purchased?

Generally at the Druggist's. If he does not keep it, or makes mis-statements as to why he does not keep it, do not let him prejudice you from calling upon or sending direct to our office.

Instead of seeking to thrive upon the "ills that flesh is heir to" by selling the sufferer from five to thirty different nostrums for his many ailments, we furnish you one only, GUARANTEED TO FULFIL OUR PROMISES, and we defy Doctors and Druggists to prove to the contrary.

EPSS'S COCOA

BREAKFAST

"By a thorough knowledge of the natural laws which govern the operations of digestion and assimilation, and by a careful application of the fine properties of the purest Cocoa, Mr. Epps has prepared this breakfast food, which is a delicate and healthful beverage which may save to many a doctor's bill. It is by the judicious use of such articles of diet that a constitution may be gradually built up and its strength renewed, and its tendency to disease hindered. It is a most valuable food, and is ready to attack wherever there is a weak point. We may say, however, that it is a food which is well fortified with pure blood and a properly nourished frame."
