TRIED TO STEAL A LOCOMOTIVE

A Torontonian's Battle in an Engine Cab
Charles Bennett of Toronto, with a companion named Timothy Downey, jumped into the cab of a G.T.R. engine in the London yard Saturday night. The engine had steam up and was ready to go out. The crossing watchman observed them and undertook to arrest them, but one of the men grabbed the throttle and tried to throw it open. He was overpowered, however, and locked up, and yesterday the men were sent to the Central Prison for a lengthened term each. Had the villain succeeded in opening the throttle of the engine it is impossible to tell what would have resulted. Some 10 or 12 years ago a man named Matt Crow got into the "Oil King" pony engine of the London yard, and letting on the steam ran the engine at a rapid speed up the yard. The locomotive was finally dethroned, and the spectators reached the scene expecting to find Crow's mangled body; but the desperado coolly climbed out unharmed from beneath the engine. He was arrested and received 18 months in the Central Prison.

CHRISTIAN THEATRES.

Dr. Milligan Thinks Establishment Would Be Beneficial.
In the course of a discussion on a paper by Dean Jones at the meeting of the Ministerial Association yesterday, Dr. Milligan spoke of the establishment of a theatre for the Christian people. He said that he thought the Christian people could go to the theatre and see a play that would do them good. A Terrible Experience.
For three years I suffered from skin disease in the worst form. I tried every remedy, but nothing helped. I was told that I should go to the doctor, but I was too poor to do so. City Hall Gossip.
The Parks and Gardens Committee met yesterday afternoon for the first time since the meeting of the 10th inst. The committee discussed the question of the new works, but the chairman did not look so optimistic that they decided to wait for a more propitious day.

As Parson's Vegetable Pills contain Mandrake and Dandelion, they cure Liver and Kidney Complaints, with increasing regularity. They also contain Root and Herb, which have specific virtues for the treatment of their action on the stomach and bowels. Mr. R. A. Cameron, Shakespeare, writes: "I consider Parson's Pills an excellent remedy for Biliousness and Derangement of the Liver, having used them myself for some time."

Will Alter the Libel Law.
Quebec, Nov. 26.—In the Legislative Assembly to-day, Hon. Mr. Gagnier, speaking of the motion in reference to the libel law, says that he wishes to alter the law on libel, so as to protect newspapers against libel suits, instituted against them for frivolous reasons.
