BROWN'S BRONCHIAL TROCHES

"A SLIGHT COLD," COUGH, Hoarseness or Sore Throat, which might be checked with a simple remedy if neglected often terminates seriously. How many are the instances of seemingly slight COLDS in its first stage that which in the beginning would yield to a mild remedy, if not attended to soon attacks the lungs. BROWN'S BRONCHIAL TROCHES were introduced eleven years ago. It has been proved that they are the best article before the public for Coughs, Colds, Bronchitis, Asthma, Catarrh, the Hacking Cough in Consumption, and relieve the affections of the Throat, giving immediate relief.

Public Speakers & Singers

will find them effectual for clearing and strengthening the voice.

FROM REV. J. McMURRAY, HALIFAX, N. S.

Having suffered several years with Throat Affection, to which clergymen are especially subject, and having used various remedies I have pleasure in giving my testimony as to the relief I have had in the discharge of my Sabbath labors, from the use of "BROWN'S BRONCHIAL TROCHES." They have been a great comfort. Others to whom I have recommended them have used them with advantage.

The Troches are the staff of life to me.—Prof. E. NORTH, Pres. Hamilton College, Clinton, N. Y.

REV. HENRY WARD BEECHER.

Induced by the extensive sale and universal popularity of Hoofland's German Bitters, (purely vegetable,) hosts of ignorant Quacks and unscrupulous adventurers, have open upon suffering humanity the flood gates of Nostrums in the shape of poor whiskey, vilely compounded with injurious drugs, and christened Tonics, Stomachics and Bitters.

GODEY'S LADY'S BOOK.

For 1864.

GREAT LITERARY & PICTORIAL YEAR!

"As a publisher of Godey's Lady's Book, thankful to that public which has enabled him to publish magazine for the last *thirty-three* years of a larger circulation than any in America, has made arrangements with the most popular authoress in the country—

MARION HARLAND,

Authoress of "Alone," "Hidden Path," "Moss Side," "Nemesis," and "Mariam;"

who will furnish a story for every number of the Lady's Book for 1863. This alone will place the Lady's Book in a literary point of view far ahead of any other magazine. Marion Harland writes for no other publication. Our other favorite writers will continue to furnish articles throughout the year.

THE BEST AND CHEAPEST

Lady's Magazine in the World

THE LITERATURE

is of that kind that can be read aloud in the family circle, and the clergy in numerous numbers are subscriber for the Book.

THE MUSIC

is original, and would cost 25 cents (the price of the Book) in the music stores; but most of it is copyrighted, and cannot be obtained except in "Godey's."

OUR STEEL ENGRAVINGS

Every effort to rival us in this has ceased, and we now stand alone in this department, giving, as we do, many more and infinitely better engravings than are published in any other work.

GODEY'S

IMMENSE DOUBLE SHEET FASHION-PLATES

CONTAINING

From five to seven full length colored Fashions on each plate. Other magazines give only two.

FAR AHEAD OF ANY FASHIONS IN EUROPE OR AMERICA.

Godey's is the only work in the world that gives these immense plates, and they are such as to have excited the wonder of publishers and the public. The publication of these plates cost

$10,000 More

than Fashion-plates of the old style, and nothing but our wonderfully large circulation enables us to give them. Other magazines cannot afford it. We never spare money when the public can be benefited.

These fashions may be relied on. Dresses may be made after them, and the wearer will not be subject to ridicule, as would be the case if she visited large cities dressed after the style of the plates given in some of our so called fashion magazines.

OUR WOOD ENGRAVINGS,

of which we give two or three times as many as any other magazine, are often mistaken for steel. They are so far superior to any others.

IMITATIONS.

Beware of them. Remember that the Lady's Book is the original publication, and the cheapest. If you take Godey you want no other magazine.

Everything that is useful or ornamental in a house may be found in Godey.

DRAWING LESSONS.

No other magazine gives them, and we have given enough to fill several large volumes.

OUR RECEIPTS

are such as can be found nowhere else. Cooking in variety—Confectionery—the Nursery—the Toilet—the Laundry—the Kitchen. Receipts of all kinds are to be in the pages of the Lady's Book. We originally started this department, and have peculiar facilities for making it most perfect. This department alone is worth the price of the Book.

LADIES' WORK TABLE.

This department comprises engravings and descriptions of every article that a lady wears.

MODEL COTTAGES.

No other magazine has this department.

Terms Cash in Advance.

One copy one year, $3. Two copies one year, $5. Three copies one year, $7. Five copies one year, and an extra copy to the person sending the club, $41 50.

SPECIAL CLUBBING WITH OTHER MAGAZINES.

Godey's Lady's Book and Arthur's Home Magazine both one year for $4.

Godey's Lady's Book and Harper's Magazine both one year for $5 50.

Godey, Harper, and Arthur one year, $7.

At these prices subscribers in the Provinces will have only the British postage to pay.

Treasury notes and notes of solvent banks taken at par. Be careful and pay the postage on your letter.
