The content of the immense harm are surely and th canals (or in improvements on the result from these aspersions. Why same) are receiving munificent aid don't those farmers who know their ber in the Upper Provinces.

system of appropriating the fulness of the national treasury equitable? In Nova Scotia a higher per centage of revenue, in proportion to population, is raised than in any of our sister Pro-

fore us, we have no hesitation in expressing our belief that the Dominion Government ought to supply the Western Counties Railway Company with the financial means for finishing and the the financial means for finishing and permanently opening the projected thoroughfare between Annapolis and Yarmouth. This can be done, either by restoring to the Company the secured ownership of the Windsor Branch, or by an equivalent sum from the Dominion treasury. The latter mode of doing justice to the Company and to Nova Scotia, taking all things into consideration, would be the pre
them and never answer. Our columns are open to any one who will take up the cudgels of defence, and we trust side up with care on the usual publishing and to never answer. Our columns are open to any one who will take up the cudgels of defence, and we trust we may have several communications to that effect. Here is one sound one at all events, a Herald correspondent at Annapolis writes; "A rather sweeping statement bearing on the Fruit Growers of Annapolis, appeared in the Journal of last Saturday, which was duly copied and commented upon by the means to the trust of the company the secured ownership of the Windsor Branch, or by an equivalent sum from the Dominion treasury. The latter mode of doing justice to the Company and to Nova Scotia, taking all things into consideration, would be the pre
the mand never answer. Our columns are open to any one who will take up the cudgels of defence, and we trust side up with care on the usual publishing and to sust part of the cudgels of defence, and we trust we may have several communications to the cudgels of defence, and we trust with care on the usual publishing and its customary typographical excellence not one whit impaired.

— A few days ago Governor Black at all events. The reason assigned was visit, and repeat that lecture here? Something is needed to arouse the intellectual tendencies of the community into activity. We indeed need awaking from mental dormancy. The platform, when properly occupied, is a power, which in Bridgetown ere now, has made itself felt. Little more than the cudgels of defence, and we trust was a plantage of the cudgels of defence, and we trust was a pla and to Nova Scotia, taking all things various city papers. While there are into consideration, would be the preferable course, as the Windsor and An as any other class of people have their Abbott, are considering the advisability

Justices of the Peace. A writer in a late number of the pay a reward of ten dollars to any Standard Life Assurance Company. ment to undertake railways from the "Digby Courier," over the aristocratic person who will give such information capital into the interior, the City of nom de plume of "Dick Beaumont," has as will lead to the arrest and conviction filled more than a column of that paper of the power of the property of the guilty parties. But that pledge to this day has never from the style and professional techni. been re-leemed. Halifax never paid a calities used by the writer, we may delar in aid of railways. The people fairly assume that he belongs to the witness a trotting match on the river delar in aid of railways. The people fairly assume that he belongs to the witness a trotting match on the river you that notwithstanding the hard times denote the people assembled at Lawrencetown to you that notwithstanding the hard times our business has deen very good, the total of Varmouth put, their shoulders to dollar in aid of railways. The people of Yarmouth put their shoulders to the wheel, and now have a right to the the counters and now the theorem of the constant the completion of the market process are expected to trot in this question. The whole Province, with the merited recognition of more than justice in the matter. Political con siderations and party dissensions should not prevent them from particule conditions a blility, or the merited recognition of more than justice in the matter.
