

When Corp. Smith enters he smells powder, which makes him suspicious, and on looking around, he sees a man's feet protruding from under a rug. He pulls off the rug and sees it is a policeman; he examines the body and is surprised to find it is Joe Sumner. Blanche tearfully tells Smith how it happened. Smith, knowing the orders he got regarding Sumner, decides to save the father of the girl he loves.

He takes the body to Barracks and is complimented for getting rid of a notorious character.

Smith resigns from the force and marries Blanche.
