Whisper—There is only one Farmers' Binder
Twine Co. in Canada, headquarters, Brantford.
They make

"RED STAR" and "BLUE STAR"

twine. Don't make any mistake in the brands.
Their business is all done through farmer agents
and their own stockholders. Do your duty by
this the Farmers' Company, order out early, pay
them promptly and you will not only get the best
twine for many years to come at fair prices but
you will have agricultural implements of all
classes from American patterns, supplied you in
the near future at about half what you are
paying to-day.

Hon. Thomas Ballantyne, Joseph Stratford,
PRESIDENT. GENERAL MANAGERS.

Have You Seen

THE AMERICAN CREAM SEPARATOR

The most simple, durable, and easiest cleaned machine on the market.
It is the latest and most improved Separator, being patented in Canada on
February 26th, 1896.
It has but one piece to the bowl, and for capacity and quality of work is the
best and cheapest machine on the market. Any prospective purchaser
may try one.

Agents Wanted in all Unoccupied Territory.
We still lead in the manufacture of all kinds of Cheese Factory and Creamery gear.
Our Patented Steel Gang Cheese Press
Continues to be the best, and every user gives it his best recommendation.
If you require anything in our line we collect your correspondence,
and know that we can satisfy you in anything and everything, both
in price and quality of goods.
