A BRIDE'S CONFESSION

"Yes, dear, I am married and I am keeping house in the loveliest flat on 6th St. Well, you, we did get married some what suddenly. My health, you know, had for some time been very delicate, and Dr. Heavy-fee told me that he would follow me to dear sister Belle, who died three years ago from a wasting disease. I really cried myself to sleep, and I had to be carried to bed. I hated my father, and I hated my mother, and I hated my sister Belle, and I hated my father, and I hated my mother, and I hated my sister Belle."

Burdock BLOOD BITTERS. A PERFECT Blood Purifier. A Purely Vegetable Medicine that Expels all Bad Humors.

COCAGNE, ONT. A year ago my head, face and even my hands were covered with sores. I was very weak, lost appetite, and could get no cure until I tried Burdock Blood Bitters.

I CURE FITS! THOUSANDS OF BOTTLES GIVEN AWAY YEARLY. When I say Cure I do not mean merely to stop them for a time, and then have them return again. I MEAN A RADICAL CURE.

Coughs, Colds, Croup. Allen's Lung Balsam was introduced to the public after its merits for the positive cure of such diseases had been fully tested. It excites expectoration and causes the Lungs to throw off the phlegm or mucus; changes the secretions and purifies the blood; heals the irritated parts; gives strength to the digestive organs; brings the liver to its proper action, and imparts strength to the whole system.

"Purity—Strength—Perfection." CLEVELAND'S SUPERIOR Baking Powder. ABSOLUTELY THE BEST. All the ingredients used in making this Powder are published on every tin. The purity of the ingredients and the scientific manner in which they are combined, render Cleveland's superior in strength and efficiency to any other baking powder manufactured.

FOOD MIXED WITH this Powder does not dry up, as when made with baking powder containing ammonia, but keeps moist and sweet, and is palatable and wholesome. Hot biscuit and griddle cakes made with it can be eaten by dyspeptics with impunity.

W. BAKER & CO'S Breakfast Cocoa. GOLD MEDAL, PARIS, 1876. Is absolutely pure and it is soluble. No Chemicals are used in its preparation. It has more than three times the strength of Cocoa mixed with Starch, Arrowroot or Sugar, and is therefore far more economical, costing less than one cent a cup.

Allen's Lung Balsam. CHESTER G. PARKER, of Oneida, N.Y., was entirely cured of an affection of the throat and lungs, accompanied by a severe cough of several years' standing, by the use of WISTAR'S BALSAM OF WILD CHERRY.

Household Hints. BROILED SALT MACKEREL.—Select a small mackerel (which will be more tender than a large, older one) and put it to soak over night in plenty of cold water; pour off the water and let it stand in milk two hours; then drain and dry in a napkin, brush butter, or better still, pure olive oil over it, and broil in a double-wire broiler; when done plunge it into hot water a moment, which swells it and makes it look fat; serve with melted butter containing lemon juice and chopped parsley.

A SPECIFIC FOR THROAT DISEASES.—BROWN'S BRONCHIAL TROCHES have been long and favourably known as an admirable remedy for Coughs, Hoarseness and all Throat troubles. "My communication with the world is very much enlarged by the Lozeng, which I now carry always in my pocket; that trouble in my throat (for which the 'Troches' are a specific) having made me often a mere whisperer." — N. F. WILLIS.

OYSTER SALAD.—Bring to a boil a dozen and a half of oysters in their own liquor, to which two table-spoonsful of good strong vinegar have been added, with white and red pepper and salt for seasoning; drain, and cut the oysters in dice so as not to injure their appearance. Wash a head of celery and cut the edible parts in dice; mix with the oysters, and keep in a very cold place until ready to serve, when cover with a mayonnaise or salad dressing.

SCALLOPED OYSTERS.—One quart of large selected oysters, one dozen of crackers, one egg and nearly a cupful of butter; seasoning. With a fork dip each oyster in the slightly beaten egg, and then in the cracker crumbs which have previously been rolled fine, and place in a buttered dish. Add pepper, salt and butter to each layer. If any egg is left, add it the last thing and cover with crumbs. Bake from one-half to three quarters of an hour in a hot oven.

CONSUMPTION.—For the cure of this distressing disease there has been no medicine yet discovered that can show more evidence of real merit than Allen's Lung Balsam. This unequalled expectorant for Curing Consumption and all diseases leading to it, such as affections of the Throat, Lungs and all diseases of the pulmonary organs, is introduced to the suffering public after its merits for the cure of such diseases have been fully tested by the Medical Faculty. The Balsam is, consequently, recommended by physicians who have become acquainted with its great success.

CANDIED FRUITS.—Make a thick syrup with a teaspoonful of water to a pound of sugar, and in this boil peaches, pears, plums, apricots, cherries or other fruit until tender—no longer. Let the fruit remain two days in the syrup, then drain it out, sprinkle sugar over each piece and dry in the sun or a moderately warm oven.

GINGER SNAPS.—One-half cup butter, one cup sugar, one cup molasses, one-half cup ginger, two teaspoonful Cleveland's Superior Baking Powder and flour enough to make stiff enough to roll.

SPONGE CAKE.—One and one half cups of sugar, two even cups of flour, four eggs, two teaspoonful baking powder. Mix and add one-third cup of hot water. Bake in a quick oven. This, when baked in a thin layer, makes a nice roll jelly cake.

APPLE PIE.—Pare and core green or ripe apples, then stew them; mash to a smooth compote, sweeten to taste, and while hot stir in a teaspoonful of butter for each pie; season with nutmeg, when cool fill your crust; and either cross-bar the top with strips of paste or bake without cover. Eat cold with powdered sugar strewed over it.
