

Junior Department.

THE meeting for the purpose of forming a Junior League and of which notice was given in last month's REVIEW, was held in Ottawa University, on April 30th. There were present: Messrs Lachapelle and Lamoureux, from the Juniorate; Messrs. Cross and Mooney from the Ermines; and Messrs. Poulin and Tobin from the Small Yard. Father Veronneau occupied the chair. A league was formed consisting of teams from the three Associations sending representatives, and the "Intermediate City League," was the name unanimously chosen for it. The following were the officers selected: Hon. President, Dr. J. Chabot; First Hon. Vice-President, Mr. Hurd; Second Hon. Vice-President, Dr. Baird; President, Mr. Lachapelle; Vice-President, Mr. J. Cross and Secretary, Mr. J. Tobin. At the same meeting, a schedule was drawn up and a few simple regulations about the selection of umpires and the conduct of players were formulated. At another meeting called for May 7th, the application of Sandy Hill for entrance into the League was accepted, and the schedule re-arranged accordingly.

Why do you think J. D. and Fernie are good debaters?

Because, though vanquished, they can argue still.—I-i-n.

On Wednesday, May 12th, Small Yard, opened the season against the Juniorate. The final score was 7 to 3, in favor of the sturdy ball tossers, from 600, Cumberland Avenue. The Juniorate has a good team but we feel confident that our team will hand them out a trimming the next time they meet them. Small Yard:—Poulin rf, Tobin 3b, Nagle ss, Brennan 1b, Milob c, McCabe lf, Harris 2b, Villeneuve cf, and DesChamps p. The Juniorate:—Lachapelle rf, Killian M. ss, Caron lf, Morisseau cf, Poulin 1b, Killian E. c, Larose 2b, Goyet 3b, and Lamoureux p.

WANTED.—A pitcher for second team. Those applying must have the motion, must be able to control at least one curve, and must be strictly amateur.

The Minims are in charge of Father Voyer for baseball. He has formed a league for them and is recognized as their official umpire in all their games. If we were to judge from the noise they make during a match, we would conclude that the youngsters are taking
