

on Moral Subjects recommended for the use of teachers. Scripture History now forms one of the Preliminary Subjects of the A. A. Examination and will therefore require more attention than it has received in the past. While it is understood that pupils in Grade II. Academy, who pass in all the Preliminary Subjects, may, at the next Examinations take the Optional Subjects only of the A. A. Examinations, no definite instructions on this point can be issued until the September meeting of the Protestant Committee. The Syllabus of Examinations for Teacher's Diplomas will follow as closely as possible the Academy Grades of the Course of Study, and it will be issued as soon as it is approved of by the Protestant Committee. Information concerning these and other points will be given immediately after the meeting of the Committee on the 24th instant.
