

## INDEX OF INVENTIONS.

|                                                        |        |
|--------------------------------------------------------|--------|
| Axles, vehicle, A. E. Smith.....                       | 15,736 |
| “ J. B. Armstrong.....                                 | 15,766 |
| Balances, door, W. F. Sexton, Sr. and Jr.....          | 15,812 |
| “ sash, C. E. Bogle et al.....                         | 15,870 |
| Bearings, journal, G. W. Fairman et al.....            | 15,857 |
| “ T. V. LeRoy.....                                     | 15,761 |
| Beer cooling and drawing machines, C. Gordon.....      | 15,750 |
| Bed bottoms, T. Burdick.....                           | 15,779 |
| Bee hives, A. Bailey.....                              | 15,791 |
| Belt shifters, E. C. Durand.....                       | 15,728 |
| Bending springs, machines for, J. Fowler.....          | 15,806 |
| Boards, instruction, P. Packer.....                    | 15,774 |
| Boats, E. G. Durand.....                               | 15,800 |
| Boilers, steam, The Babcock and Wilcox Co'y.....       | 15,792 |
| Book racks, T. Gilfillan.....                          | 15,862 |
| Boots and shoes, J. L. Pelletier.....                  | 15,785 |
| Boring machines, N. Sanders.....                       | 15,731 |
| Boxes for berries, The Smith Mfg Co'y.....             | 15,707 |
| “ lining axle, I. Joseph.....                          | 15,791 |
| Brakes, car, J. R. Tremain.....                        | 15,805 |
| “ S. Halladay.....                                     | 15,711 |
| “ W. B. Guernsey.....                                  | 15,796 |
| Brush holders, W. H. Miles.....                        | 15,710 |
| Brushers, J. F. Bartlett.....                          | 15,803 |
| Buckets, hoisting, G. W. Calkins.....                  | 15,757 |
| Buffing mechanism, J. P. Coulter et al.....            | 15,834 |
| Buildings, temporary, J. Westman.....                  | 15,851 |
| Bureaus, G. F. Richardson et al.....                   | 15,867 |
| Cans, milk, W. M. Haney.....                           | 15,739 |
| Carburettors, metrical, W. M. Jackson.....             | 15,865 |
| Carding engines, J. F. Gebhart.....                    | 15,813 |
| Clips, wear, J. H. Philpott et al.....                 | 15,819 |
| Clocks, self-winding, A. Dardenne.....                 | 15,810 |
| Coal, mining, J. Du Bois.....                          | 15,798 |
| Codes cypher, B. T. Oney.....                          | 15,721 |
| Coke, manufacture of, J. Jameson.....                  | 15,804 |
| Compressors, air, B. T. Babbitt.....                   | 15,741 |
| Conductors, underground, T. A. Edison.....             | 15,830 |
| Cork screws, means for attaching, H. W. Simms.....     | 15,809 |
| Couplings, car, A. Benoit.....                         | 15,745 |
| “ D. McKinnon.....                                     | 15,853 |
| “ F. Cordrey.....                                      | 15,726 |
| “ F. M. Hazleton.....                                  | 15,788 |
| “ J. McCree.....                                       | 15,864 |
| “ strap, A. Van Loven.....                             | 15,716 |
| “ thill, C. L. Ferguson.....                           | 15,789 |
| Cultivators, J. W. Thomas.....                         | 15,755 |
| “ et al.....                                           | 15,743 |
| Cutting machines, hoop, F. L. Wilson.....              | 15,817 |
| Dash-boards, vehicle, The Guelph Carriage Goods Co.,   | 15,717 |
| Dashes, vehicle, W. F. Elliott et al.....              | 15,709 |
| Decoys, C. T. Cochel.....                              | 15,732 |
| Digging devices, W. H. H. Davis.....                   | 15,855 |
| Distribution systems, electrical, T. A. Edison.....    | 15,831 |
| Ditchers, J. C. Clement.....                           | 15,861 |
| Door balances, W. F. Sexton, Sr. & Jr.....             | 15,812 |
| Draft mechanism, J. P. Coulter et al.....              | 15,834 |
| Drainers, liquid, J. C. Harlackner et al.....          | 15,744 |
| Dredging machines, W. Morrison.....                    | 15,719 |
| Drill and broad cast sowers, T. Galloway.....          | 15,730 |
| Drills, rock, J. E. Booth.....                         | 15,780 |
| Egg, preserving, A. M. Bailey et al.....               | 15,782 |
| Electric machines, dynamo, T. A. Edison.....           | 15,843 |
| “.....                                                 | 15,847 |
| Electrical Distribution systems, T. A. Edison.....     | 15,831 |
| Elevators, hay, W. H. Wortman.....                     | 15,768 |
| Engines, carding, J. F. Gebhart.....                   | 15,813 |
| Engine, electric motive, D. T. Piot.....               | 15,811 |
| Engines, rotary, A. C. Gibson et al.....               | 15,767 |
| “ steam, R. Morrison.....                              | 15,824 |
| Entrenching tools, N. W. Wallace.....                  | 15,835 |
| Extinguishers, fire, L. C. Desloovere.....             | 15,753 |
| “ M. Walker.....                                       | 15,823 |
| Fasteners and stoppers, bottle, A. E. Rich.....        | 15,751 |
| Feeding devices, J. F. Gebhart.....                    | 15,813 |
| Fences, farm, C. Laufer et al.....                     | 15,788 |
| Fibrous substances, C. D. Ekman.....                   | 15,771 |
| Filtering apparatus, The Sinclair Rectifying Co'y..... | 15,827 |
| Fire escapes, W. E. and J. Dean.....                   | 15,758 |
| “ extinguishers, M. Walker.....                        | 15,823 |
| “ L. C. Desloovere.....                                | 15,753 |
| Flues, radiating, F. B. Nichols et al.....             | 15,722 |
| Furnaces, hydro carbon, J. Mundell et al.....          | 15,779 |
| Garments, R. H. Anderson.....                          | 15,780 |

|                                                       |        |
|-------------------------------------------------------|--------|
| Gas, carbonic oxide, W. Duffield.....                 | 15,733 |
| Gold, extracting, R. Barker.....                      | 15,797 |
| Governors, engine, F. H. Ball.....                    | 15,842 |
| “ gas, J. C. Fisk et al.....                          | 15,766 |
| Grooving machine, V. E. Fuller.....                   | 15,742 |
| Hame tugs, T. A. Simmons.....                         | 15,806 |
| Handles, coffin, The Meriden Britannic Co'y.....      | 15,765 |
| “ saw, C. W. Knapp.....                               | 15,752 |
| Harness, irons, J. H. Philpott et al.....             | 15,819 |
| Harrows, P. and A. S. Patterson.....                  | 15,829 |
| Harvesting machines, A. C. Miller et al.....          | 15,820 |
| Heating apparatus, J. F. Pease et al.....             | 15,708 |
| Hinges, blind, H. Stubbendorff.....                   | 15,748 |
| Hoisting buckets, G. W. Calkins.....                  | 15,757 |
| Hooks, cant, A. Sanford.....                          | 15,772 |
| “ hoop cutting machines, F. L. Wilson.....            | 15,817 |
| Horse shoes, T. M. Marshall.....                      | 15,850 |
| Horse shoe machinery, T. A. Roe.....                  | 15,725 |
| Hangers, eaves trough, W. F. Stoetzel.....            | 15,735 |
| Irons, harness, J. H. Philpott et al.....             | 15,819 |
| Jacks, lifting, H. R. Terris.....                     | 15,770 |
| Lamps, electric, J. Fyfe.....                         | 15,774 |
| “ T. A. Edison.....                                   | 15,844 |
| “ W. Crookes.....                                     | 15,826 |
| “ stone, B. F. Lancaster et al.....                   | 15,747 |
| Lining axle boxes, I. Joseph.....                     | 15,791 |
| “ devices, W. H. H. Davis.....                        | 15,855 |
| Liquids, filtering, The Sinclair Rectifying Co'y..... | 15,827 |
| Locks, hasp, J. E. Youngs.....                        | 15,869 |
| Looms, A. Smith et al.....                            | 15,713 |
| Lubricating compounds, E. Smalley et al.....          | 15,854 |
| Mills, attrition, T. F. Rowland.....                  | 15,773 |
| Motion converting machines, W. B. Munger.....         | 15,749 |
| Motive engine, electric, D. T. Piot.....              | 15,811 |
| Motors, electric, T. A. Edison.....                   | 15,816 |
| “ electro magnetic, T. A. Edison.....                 | 15,822 |
| “ hydraulic, F. W. Tuerk.....                         | 15,852 |
| “ H. Yagn.....                                        | 15,712 |
| Musical instruments, G. W. Ingalls.....               | 15,818 |
| “ W. F. Abbott.....                                   | 15,815 |
| Nails, screw, C. D. Rogers.....                       | 15,849 |
| Nozzles, spray, L. C. Desloovere.....                 | 15,753 |
| Packing, self-lubricating, R. Morrison.....           | 15,821 |
| “ valve stem, A. N. Matthews.....                     | 15,751 |
| Pans, vacuum, C. Wahl.....                            | 15,833 |
| Planing machine, V. E. Fuller.....                    | 15,742 |
| Planters, seed, J. A. Houser.....                     | 15,860 |
| Plates, wear, D. Sennis.....                          | 15,840 |
| Ploughs, J. S. Felt.....                              | 15,863 |
| “ gang, L. F. Rungay et al.....                       | 15,828 |
| Polishing machines, grain, D. M. Richardson.....      | 15,740 |
| Pumps, F. Ahrens.....                                 | 15,763 |
| “ J. Sanders.....                                     | 15,761 |
| “ force, W. A. Beckford.....                          | 15,858 |
| Racks, book, T. Gilfillan.....                        | 15,862 |
| “ hay, A. G. Barton et al.....                        | 15,795 |
| Rake, horse, G. M. and N. Cossitt.....                | 15,778 |
| Regulators, current, T. A. Edison.....                | 15,843 |
| “ electric machine, T. A. Edison.....                 | 15,847 |
| “.....                                                | 15,848 |
| Rein and whip holders, F. C. Ayer.....                | 15,790 |
| Root cutters, H. W. Fleury.....                       | 15,784 |
| Sash balances, C. E. Bogle.....                       | 15,870 |
| Saw handles, C. W. Knapp.....                         | 15,752 |
| Scouring machines, grain, D. M. Richardson.....       | 15,140 |
| Screw nails, C. D. Rogers.....                        | 15,849 |
| Seats, buggy, W. A. Eddy.....                         | 15,737 |
| “ folding, J. L. Kapple.....                          | 15,718 |
| Seed planters J. A. Houser.....                       | 15,860 |
| Seeding machines, J. W. Thomas.....                   | 15,755 |
| “ et al.....                                          | 15,743 |
| Separators, J. P. radis et al.....                    | 15,729 |
| Sewing machines, E. Stern.....                        | 15,787 |
| “ The Williams Mfg Co'y.....                          | 15,762 |
| “ W. Y. Allen.....                                    | 15,756 |
| Shifters, belt, E. C. Durand.....                     | 15,728 |
| Shingle machines, I. Fréchet.....                     | 15,856 |
| Silver extracting, R. Barker.....                     | 15,797 |
| Signalling, electric, T. D. Lockwood.....             | 15,825 |
| Sleds, C. M. Hinman.....                              | 15,839 |
| Sowers, drills and broadcast, T. Galloway.....        | 15,730 |
| Springs, carriage, A. J. L. Jantz.....                | 15,799 |
| Springs, machines for bending, J. Fowler.....         | 15,826 |
| Starch, manufacture of, A. Atkinson.....              | 15,821 |
| Stoppers and fasteners, bottle, A. E. Rich.....       | 15,751 |
| Stoppers, bottle, J. McGuire et al.....               | 15,841 |
| Stove lamps, B. F. Lancaster et al.....               | 15,747 |
| Straw carrier, chain, A. Kline.....                   | 15,769 |
