LETTER FROM ROBERT W. PARKER, M.R.C.S., ENG., Med. Chir. and Obs. S.: Assist.-Surg.
E. Lond. Children's Hospital; Author of "Tracheotomy in Laryngeal Diphtheria."

DEAR SIR—

8 OLD CAVENDISH STREET,
CAVENDISH SQUARE, LONDON, W.

I have used your Syrup of Hypophosphites in the Children's Hospital. I find that it is well taken, and consider it an important addition to our Pharmacopœial remedies. Combined either with Glycerine or Cod Liver Oil, it has proved itself an efficacious remedy in Scrofulous Diseases affecting bones or joints.

In the debility which often follows on the exanthemata, and especially in that which follows diphtheria, I have found it a very useful tonic.

I must thank you for the present of the Syrup to the Hospital.

Yours faithfully,

MR. FELLOWS.

ROBERT WM. PARKER.

Each Bottle of FELLOW'S HYPOPHOSPHITES contains over 100 doses.

Prepared by JAMES I. FELLOWS, Chemist.
