

BLANK BOOKS.

Now that the end of the year is drawing near when nearly all books are balanced and also the first of the new year when new books are opened, it is the wise stationer who will see that his stock is thoroughly kept up to date so that any orders that may be received may be promptly filled. Buntin, Gillies & Co., Limited, Hamilton,

are drawing the attention of the trade to this line of goods and judging from their prices it would seem that they are worthy of careful attention on the part of retailers.

The book and stationery stock of Mr. W. A. Davis, Winnipeg, was damaged by water in the big fire last month.
