We submit the following reasons, which make it to your interest to place with our house, your Spring orders.

Our stock of seasonable goods, such as Balls, Hammocks, Tops, Ropes, &c., has been bought for cash, direct from manufacturers, and is composed of new, fresh goods, marked low.

We distribute the product of Canadian manufacturers of Wooden-ware, Express-waggon, Wire-wheel Waggon, Velocipedes, Bicycles and Tricycles, and guarantee the goods at manufacturers' prices.

We have the Canadian depot for Spalding's Baseball requisites and Athletic goods, and make a speciality of Field sports, Out-door games, Lacrosse, Cricket, Football, Tennis, Croquet, &c.

In Baby Carriages, we show the finest collection in Canada, being the sole agents for the celebrated Whitney Carriages, and handling also the best value and latest styles of Canadian manufacturers.

Yours faithfully,
