Dr. Wistar's Balsam of Wild Cherry.

The only genuine and original article was first introduced in the year 1843. It has been well tested, and appreciated for ten years, in all the complaints, for which it has been recommended, viz.: Coughs, Colds, Influenza, Brouchies, Asthma, and Consumption in its incipient stages. No other medicine has proved more efficacious.

[From the Boston Post.]

Dr. S. W. Fowle, 138, Washington street, has an article entitled as above, which we believe is the best preparation hitherto discovered for the cure of colds and other consumptive complaints. Having tested this medicine, we can speak with confidence as to its salutary effects in removing coughs and other complaints, incident to this season of the year.

The genuine is signed I. BUTTS.

DR. JAMES HOPE'S

VEGETABLE PURIFYING HEALTH PILLS

AND

ORIENTAL BALSAM.

THIS valuable Family Medicine of long-tried efficacy, for correcting all disorders of the Stomach, Liver and Bowels, and those Diseases arising from Impurities of the Blood.

The usual symptoms of which are, Costiveness, Flatulency, Spasms, Loss of Appetite, Sick Headache, Giddiness, Sense of Fulness after eating, Dimness of the Eyes, Drowsiness, and Pains in the Stomach and Bowels, Pain in the Side, and in and between the Shoulders, Indigestion, producing a torpid state of the Liver, and a consequent inactivity of the Bowels, causing a disorganization of every function of the frame, will, in this most excellent combination of Medicinal Agents, by a little perseverance, be effectually removed.

A very few doses will convince the afflicted of the salutary effects. The stomach will soon regain its strength; a healthy action of the Liver, Bowels, and Kidneys will speedily take place; and instead of listlessness, heat, pain, and jaundiced appearance, strength, activity and renewed health will be the quick result of taking these medicines, according to the instructions which accompany them.

As a pleasant, safe, and easy aperient, they unite the recommendation of a mild action, with the most successful effect, and require no restraint of diet or confinement during their use; and for Elderly People they will be found to be the most comfortable medicine offered to the public.

Females at a certain age should never be without them—they are warranted to contain no Calomel, or any other deleterious ingredient.
