

NEWS AND NOTES.

It seems to be pretty well understood that children must be sick at times, we would say, to all anxious mothers that Nestle's Milk Food is an excellent preventative of cholera infantum, and all such complaints so common to children.

The wisest and happiest man, is he, who by constant attention of thought, discovers the greatest opportunity of doing good, and with ardent and animated resolution, breaks through every opposition that he may improve these opportunities.—*Doddridge.*

CONUMDRUMS.—Who hath sun burns? Who hath bad complexion? Who hath chafing? Who hath soreness of lips? Who hath rough hands? Who hath soreness of chin after shaving? They who use not Philodermol!

Refuse not to be informed, for that shows pride or stupidity.

IRON.—The Iron in Estey's Iron and Quinine Tonic is in a form and in a chemical condition easily broken up and assimilated by the blood; and being combined with pure Sulphate of Quinine and Sherry Wine, forms an agreeable and pleasant Tonic and Invigorator to the whole system.

Stepping Stones to Success—Learn your business thoroughly.

PHILODERMA is as "familiar as a household word."

War can hardly be waged between two great nations, without extending beyond them. The fire of war naturally spreads, the true principle of a nation, as of an individual, is to suffer wrong rather than do it.—*Channing.*

Estey's Iron and Quinine Tonic is the King of Blood Purifiers. Try it. Druggists sell it.

Many people have no other way to succeed in this world than to pull others back. But the true way is to elevate others as high as we can; then put ourselves above them.

A GREAT WANT SUPPLIED

The consumers of Kerosene Oil, will find it to their advantage to buy LUXOR OIL, as it is without doubt the purest Oil to be had. By actual comparison it will be found as white as water. This is obtained by removing all impurities from the ordinary oil. It is no dearer than ordinary oil. As it will burn one-fourth longer and gives a clear brilliant flame, emitting no smoke or odor. To those using COAL OIL STOVES it is highly recommended, as it will give greater heat and will do more cooking for the same money. For sale in barrels and cases, two cans in a case.

Catarrh—A New Treatment.

Perhaps the most extraordinary success that has been achieved in modern science has been attained by the Dixon treatment for catarrh. Out of 2000 patients treated during the past six months, fully ninety per cent. have been cured of this stubborn malady. This is none the less startling when it is remembered that not five per cent. of the patients presenting themselves to the regular practitioner are benefitted, while the patent medicines and other advertised cures never record a cure at all. Starting with the claim now generally believed by the most scientific men that the disease is due to the presence of living parasites in the tissues, Mr. Dixon at once adapted his cure to their extermination; this accomplished, the catarrh is practically cured, and the permanency is unquestioned, as cures effected by him four years ago are cures still. No one else has ever attempted to cure catarrh in this manner, and no other treatment has ever cured catarrh. The application of the remedy is simple, and can be done at home, and the present season of the year is the most favorable for a speedy and permanent cure, the majority of cases being cured at one treatment. Sufferers should correspond with Messrs. A. H. DIXON & SON, 305 King Street West, Toronto, Canada, and enclose stamp for their treatise on Catarrh.—*Montreal Star.*

When you see a counterfeit coin on the sidewalk, always pick it up. You are liable to arrest if you try to pass it.

COVETOUSNESS IN DISGUISE.—The wonderful success of James Pyle's Pearline has given rise to a flood of imitations with an "ine" in their names, evidently to have them sound like Pearline. Enterprises of this sort are quite liable to be more selfish than beneficial.

A thoughtful mind can find fodder for much rumination in the announcement that seventy-two per cent. of the baldheaded men of the country are married.

BRONCHITIS.—Unless arrested, will terminate in consumption. An almost never failing cure for this complaint is found in *Allen's Lung Balsam*, which can be had of any Druggist, price one dollar per bottle.
