"By a thorough knowledge of the natural laws which govern the operations of digestion and nutrition, and by a careful application of the fine properties of well-selected Cocoa, Mr. Epps has provided our breakfast tables with a delicately flavored beverage which may save us many heavy doctors' bills. It is by the judicious use of such articles of diet that a constitution may be gradually built up until strong enough to resist every tendency to disease. RIDGE'S FOOD

A Physician of large practice says of Ridge's Food: "I can say of this preparation of food that it has never failed me, or failed to agree when given strictly according to my directions. With scrupulous care, there need be little trouble from bowel complaints; and to this I ascribe the fact that I have never lost a child with an attack of diarrhea or cholera infantum." This is the testimony of thousands who have successfully reared their little ones on it. Give it a test. Send to WOOLRICH & CO., for pamphlet free.
