No man ever smoked "Myrtle Navy" tobacco for a fortnight and then took to any brand in preference to it. It bears its own testimony of its qualities, and it is testimony which is always convincing. The smoker who uses it is never annoyed by getting it sometimes of good quality and sometimes of bad. The arrangements of the manufacturers for keeping its quality equal are very elaborate and complete, and are the results of many years of experience and close observation.

**THE WORST FORM.**

DEAR SIRS,—About three years ago I was troubled with dyspepsia in its worst form; neither food nor medicine would stay on my stomach, and it seemed impossible to get relief. Finally I took a bottle of B.B.B. and one box of Burdock Pills, and they cured me completely.

**CANADA'S GREAT FAIR.**

SEPT. 5 TO 17, 1892.

THE citizens of Toronto have voted \$150,000 to the Toronto Industrial Fair for improvements to be made on the grounds for this year's Exhibition, which is to be held from the 5th to the 17th Sept. next. About fifty acres have been added to the present grounds and a new race track and grand stand to seat twelve thousand people is being built, and many other improvements are being made. Consequently this year's Fair promises to be greater and better than ever. A large number of fine special attractions have been arranged for and several new features are promised. The exhibits in all departments will be larger and better than at any previous Fair and will include many that have been prepared for the World's Fair next year. Cheap excursions will as usual be run on all railways and the attendance of visitors will no doubt be as large as ever. All entries have to be made on or before the 13th of August, but most of the space in all the buildings for the exhibit of manufactures has already been applied for. For copies of the prize list and programmes drop a post card to Mr. Hill, the Manager, at Toronto.

**THE CHILDREN'S FRIEND.**

GENTLEMEN,—Last summer our children were very bad with summer complaint, and the only remedy that did them any good was Dr. Fowler's Extract of Wild Strawberry. We used twelve bottles during the warm weather, and would not be without it at five times the cost.
