NEW WHEELER & WILSON ROTARY HOOK, LOCK STITCH, STRAIGHT NEEDLE

SEWING MACHINE

No. 4.

PRICE \$45.00.

The superiority of the Rotary Hook over the Reciprocating Shuttle is fully established; but the Straight Needle is preferable to the Curved Needle by some; and to adapt our Machines to all tastes and purposes we have constructed this new Machine with a Straight Needle.

Our well-known and established Curved Needle Machine has long been acknowledged to be the Neatest, Easiest, Quietest, Fastest and most Durable of all Lock-stitch Machines, So our new No. 4 will be found to surpass all Straight-Needle Shuttle Machines in these various particulars.

This Machine is adapted to the lightest work as well as a heavier grade than our Curved Needle Machine.

Intending purchasers are requested to give us a call.

Persons desirous of learning to operate any of our Machines, can receive free instruction at our Salerooms,

A Down Town Merchant, having passed several sleepless nights disturbed by the agonies and cries of a suffering child, and becoming convinced that MRS. WINSLOW'S SOOTHING SYRUP was just the article needed, procured a supply for the child. On reaching home and acquainting his wife with what he had done, she refused to have it administered to the child, as she was strongly in favor of Homeopathy. That night the child passed in suffering, and the following morning, the father found the baby still worse, and while contemplating another sleepless night the mother stepped from the room to attend to some domestic duties, and left the father with the child. During her absence he administered a portion of the SOOTHING SYRUP to the baby, and said nothing. That night all hands slept well, and the little fellow awoke in the morning bright and happy. The mother was delighted with the sudden and wonderful change, and although at first offended with the deception practised upon her, has continued to use the Syrup, and suffering crying babies and restless nights have disappeared. A single trial of the Syrup never yet failed to relieve the baby and overcome the prejudices of the mother.

An old King, they call him Herod, was said to be eaten up by worms. There are many here and now, who are almost in the same plight as the king. Herod had no Worm Lozenges, but we have BROWN'S VERMIFUGE COMETS or Worm Lozenges, which does the work of destruction to the satisfaction of every one but the worms.
