Announcement Extraordinary.

Our having commissioned so distinguished an etcher as Rajon to etch a plate expressly for THE STUDIO, has created considerable comment and speculation as to the nature of the subject. The inquiries for information continue to pour in from all over the country and abroad. The interest shown in this distinguished artist's etching has been so widespread, and as the subject will be of such great importance, to create a sensation in this country and abroad when published, we have decided to print 500 India Proofs, before lettering, to be sold by subscription, at \$5.00 each up to the day of publication, when the price will be increased. A magnificent work of art is promised. Copies of THE STUDIO, complete, with Rajon etching, 50 cents each. Books are now open to receive advance orders. Order now to secure one.

The March Studio will contain an etching of John Quincy Adams, from a portrait made in 1783. Price 20 cents. The price for single numbers of THE STUDIO complete, with all etchings, is 20 cents a copy, and can be supplied by all art, book, and newdealers. Ask to see a copy. Address all communication to
