Knickerbocker Ice Co'y.

TORONTO.

Office—147 Richmond Street West.

Docks—Foot of George Street.

To our Customers and others:—We have secured during the past winter a very large stock of exceptionally good ice, cut near the Island, under the direction of the Board of Health and personal supervision of the medical Health Officer, and pronounced to be of excellent quality, suitable for family, hotel and office use. We make a specialty of this class of trade, and say, without fear of contradiction, that there is no better ice put up in this city than what we have in store, no matter by what name it may be sold under. On May the 1st we commence our regular delivery to all parts of the city.

We here beg to thank our old customers for their kind patronage in the past, and again solicit a renewal of their orders for the coming season.

The treatment of many thousands of cases of those chronic weaknesses and distressing ailments peculiar to females, at the Invalids' Hotel and Surgical Institute, Buffalo, N. Y., has afforded a vast experience in nicely adapting and thoroughly testing remedies for the cure of woman's peculiar maladies.

Dr. Pierce's Favorite Prescription is the outgrowth, or result, of this great and valuable experience. Thousands of testimonials, received from patients and from physicians who have tested it in the more aggravated and obstinate cases which had baffled their skill, prove it to be the most wonderful remedy ever devised for the relief and cure of suffering women. It is not recommended as a "cure-all," but as a most perfect Specific for woman's peculiar ailments.

As a powerful, invigorating tonic, it imparts strength to the whole system, and to the womb and its appendages in particular. For overworked, "worn-out," "run-down," debilitated teachers, milliners, dressmakers, seamstresses, "shop-girls," housekeepers, nursing mothers, and feeble women generally, Dr. Pierce's Favorite Prescription is the greatest earthly boon, being unequalled as an appetizing cordial and restorative tonic. As a soothing and strengthening nerve, "Favorite Prescription" is unequalled, and is invaluable in allaying and subduing nervous excitability, irritability, exhaustion, prostration, hysteria, spasms and other distressing, nervous symptoms commonly attendant upon functional and organic disease of the womb. It induces refreshing sleep and relieves mental anxiety and despondency.

Dr. Pierce's Favorite Prescription is a legitimate medicine, carefully compounded by an experienced and skillful physician, and adapted to woman's delicate organization. It is purely vegetable in its composition and perfectly harmless. For effects in any condition of the system, morning sickness, or nausea, from whatever cause arising, weak stomach, indigestion, dyspepsia and kindred symptoms, its use, in small doses, will prove very beneficial.

"Favorite Prescription" is a positive cure for the most complicated and obstinate cases of leucorrhoea, excessive flow, painful menstruation, unnatural suppression, prolapsus, or falling of the womb, weak back, female weakness, anteversion, retroversion, bearing-down sensations, chronic congestion, inflammation and ulceration of the womb, inflammation, pain and tenderness in ovaries, accompanied with "internal heat."

As a regulator and promoter of functional action, at that critical period of change from girlhood to womanhood, "Favorite Prescription" is a perfectly safe remedial agent, and can produce only good results. It is equally efficacious and valuable in its effects when taken for those disorders and derangements incident to that later and most critical period, known as "The Change of Life."

"Favorite Prescription," when taken in connection with the use of Dr. Pierce's Golden Medical Discovery, and small laxative doses of Dr. Pierce's Purgative Pellets (Little Liver Pills), cures Liver, Kidney and Bladder diseases. Their combined use also removes blood taints, and abolishes cancerous and scrofulous humors from the system.

"Favorite Prescription" is the only medicine for women, sold by druggists, under a positive guarantee, from the manufacturers, that it will give satisfaction in every case, or money will be refunded. This guarantee has been printed on the bottle-wrapper, and faithfully carried out for many years.

Large bottles (100 doses) \$1.00, or six bottles for \$5.00.

For large, illustrated Treatise on Diseases of Women (160 pages, paper-covered), send ten cents in stamps. Address,

EVERYBODY

THE DAILY MAIL is kept on file, bound up for reference, by Judges, County Clerks,

READS

Registrars, Public Libraries, and by the various Governments, Provincial and Dominion. The important events in the life of yourself and

BIRTH

your family should be recorded there. Notices of births, marriages and deaths should be inserted in THE DAILY MAIL, not alone for the reason that such is the social custom, but also because such notice is a registry of

MARRIAGE

the facts for time to come. The small charge of 50 cents for one insertion of a birth,

DEATH

marriage or death notice should deter no one, and interested parties should see to it that the record is made. Another point that

ANNOUNCEMENTS

should be borne in mind is this: It is well that some one paper should have all of these notices. THE MAIL now receives nearly every one of them; therefore, when you can afford to insert in only one paper, have it in THE MAIL, for these two reasons:— 1st. Every one else has birth, marriage and death notices in THE MAIL. 2nd. THE MAIL, as before stated, is a perfect perpetual register, easy of access at all times and to all people.

THE MAIL

THE MAIL now occupies the foremost place in Canadian journalism.—"Halton News."

Among the marvels of journalism. Its prosperity cannot be questioned, and it is a pleasure to say it deserves it.—"Utica (N.Y.) Herald."
