TESTIMONIALS SELECTED.

Prof. H. H. Croft, Public Analyst, Toronto, says:—"I find it to be perfectly sound, containing no impurities or adulterations, and can strongly recommend it as perfectly pure and a very superior malt liquor."

John B. Edwards, Professor of Chemistry, Montreal, says:—"I find them to be remarkably sound ales, brewed from pure malt and hops."

Rev. P. J. Ed. Page, Professor of Chemistry, Laval University, Quebec, says:—"I have analyzed the India Pale Ale manufactured by John Labatt, London, Ontario, and I have found it a light ale, containing but little alcohol, of a delicious flavour, and of a very agreeable taste and superior quality, and compares with the best imported ales. I have also analyzed the Porter XXX Stout, of the same brewery, which is of excellent quality; its flavour is very agreeable; it is a tonic more energetic than the above ale, for it is a little richer in alcohol, and can be compared advantageously with any imported article."

Ayer's Cherry Pectoral

Will cure a Cold more thoroughly and speedily than any other preparation in use. This medicine is especially beneficial in all affections of the Throat and Lungs, and affords effectual relief even in the advanced stages of Consumption. Thousands of cases of Pulmonary diseases, which have baffled every other expedient of human skill, have been completely cured by the use of Ayer's Cherry Pectoral. ** For fifteen years I was afflicted with Lung troubles. Ayer's Cherry Pectoral relieved the distressing symptoms of this disease, and entirely cured me. It is the most effective medicine I have ever used. — C. M. Fay, Prof. of Anatomy, Cleveland, Ohio.

While in the army I contracted a severe cold, which settled on my Lungs, resulting in exhausting fits of Coughing, Night sweats, and such loss of flesh and strength that, to all appearance, Consumption had laid its "death grip" upon me. My comrades gave me up to die. I commenced taking Ayer's Cherry Pectoral, and it

Last year I suffered greatly from a Cold, which had settled on my Lungs. My physician could do nothing for me, and my friends believed me to be in Consumption. As a last resort, I tried Ayer's Cherry Pectoral. It gave immediate relief, and finally cured me. I have not the least doubt that this medicine

CURED ME.

In the twenty years that have since elapsed, I have had no trouble with my Lungs. — B. B. Bissell, Editor and Publisher *Republican*, Albion, Mich.

Ayer's Cherry Pectoral cured my wife of Bronchitis, after friends and physicians (so severe was the attack) had almost despaired of her life. She is now in perfect health. — E. Felter, Newtown, O.

When about 22 years of age, a severe Cold affected my lungs. I had a terrible Cough, could not sleep, nor do any work. I consulted several physicians, but received no help until I commenced using Ayer's Cherry Pectoral. I continued to take this medicine, and am satisfied it saved my life. — C. G. Van Alstyne, P. M., North Chatham, N. Y.

SAVED MY LIFE.

I am now ruddy, healthy, and strong. — James M. Anderson, Waco, Texas.

Ayer's Cherry Pectoral cured me of Throat and Lung troubles, after I had been seriously afflicted for three years. The Pectoral healed the soreness of the Lungs, cured the Cough, and restored my general health. — Ralph Felt, Grafton, O.

Twenty years ago I was troubled with a disease of the Lungs. Doctors afforded no relief, and said that I could not live many months. I commenced using Ayer's Cherry Pectoral, and, before I had finished one bottle, found it was helping me. I continued to take this medicine until a cure was effected. I believe that Ayer's Cherry Pectoral saved my life. — Samuel Griggs, Waukegan, Ill.

This statement is made upon the results of SCIENTIFIC ANALYSIS by the BEST CHEMISTS in the world.

FRANCIS WYATT, Ph.D., Analytical Chemist, New York, after giving an exhaustive analysis, says:—"Here we have the whole of the elements, without a single exception, necessary for the formation of flesh, muscle and bone. JOHNSTON'S FLUID BEEF is not a mere meat extract or a concentrated decoction, but simply fluid beef, containing, besides the albuminoids and gelatinoids, the correct proportion of those phosphates so essential to the support of life."
