PARTICIPATION IN THE FIRST FRANCOPHONE GAMES

(CORRECTION)

Please note that an error was made in the fifth paragraph of the English version of our Communiqué No. 91 of April 25, on the Francophone Games.

The first sentence of this paragraph should have read as follows: "In the team sports, it has been decided that Canada will enter a men's football team in these First Games, and Canada-Québec, a women's basketball team."
