The amendments made by the Senate to the Bill No. 105 for granting certain powers to the *Canadian Electric Light Company*, were taken into consideration, and concurred in.

The Bill No. 138 to provide for advances to be made by the Government of Canada to *The St. John Bridge and Railway Extension Company*, was read the second time, considered in Committee of the Whole, and reported.

And the question being put, that the Bill be now read a third time;

The Bill was then read a third time, and passed.
