Famous Specialist's Recipe for Catarrhal Deafness and Head Noises

Desiness and Head Noises

If you know someone who is troubled with head noises, or catarrhal desiness, out aut this formula and hand to them, and you will have been the means of saving some poor sufferers perhaps from total deafness. Recent experiments have proved conclusively that catarrhal deafness, head noises, etc., were the direct cause of censtitutional disease, and that salves, sprays, inhalers, etc., userly temporise with the complaint, and seldom, if ever, effect a permanent cure. This being so, much time and money has been spent of late by a noted specialist in perfecting a pure, gentle, let effective tonic that would quickly dapel all traces of the catarrhal poison from the system. The effective prescription which was eventually formulated, and which has aroused the belief that deafness will soon he extinct, is given below in understandable form, so that anyone can treat themselves in their sum home at little expense.

Secure from your druggist 1 oz. Parmint (Double Strength), about 75c worth. Take this home, and add to it ½ pint of het water and 4 oz. of molet or granulated sugar; sth until dissolved. Take the shalespoonful four times as day. The first dose premptly ends the most integrably returns as the system is busing rapidly returns as the system is List.

JUDGES WILL NOT SANCTION DELAYS

When Non-Jury Cases Are Postponed, Fees Must Be Paid.

GO DOWN THE LIST

Actions Will Be Placed at Foot of Every

As the result of a consultation of practically all of the judges, at Osgoode Hall, resterday afternoon, lawyers who have made a practice of always asking for an adjournment of their non-jury cases on the pies of not being ready to go on will have to pay for this privilege in real money. This decision was arrived at after a great deal of discussion upon the ever-increasing list of non-jury cases. It is seldom, despite the long list of actions to be heard, that the judge finds a case ready to go on when it is first called. The climax was reached yesterday, when out of twelve cases, not one was ready to be proceeded with.

Mr. Justice Middleton announced the decision of the judges at the opening of the non-jury assizes yesterday. From this time on if a case is not heard when reached it will be struck from the list, and the liberty of re-entering it at the floot of the list will only be granted on the receipt of proper notice and the payment of fees, and even then it will not be called again until every case on the list has had an opportunity of being heard.
