## TAKE HEAVY LOAD AWAY FROM FUND

Fifty Thousand Club Will Relieve Patriotic and Aid in Recruiting.

With their organization definitely lined up the Fifty Thousand Club selected its executive committee and will rush the preparatory work and arrange for the general campaign. At last night's meeting, held at 18 West King street, representative business men decided that the aim of the club could easily be realized. They laid down as their object the securing of \$5,000 members, each of whom will contribute \$1 a month for one year, making an aggregate sum of \$600,000, which will keep the patriotic fund, established and will guarantee enough money to provide for the dependents of the soldiers who have gone to the front and who have left families who are in need of pecuniary assistance. J. E. Atkinson addressed the meeting, representing the executive of the patriotic fund. He declared that it would take a very heavy load off the shoulders of the patriotic fund. It would be an aid to recruiting. The executive committee appointed consisted of A. S. Rogers, H. B. Stanton, A. H. McCraith, J. B. Hall, A. C. Mac-

Naughton and C. L. Glover. Besides this committee of six, Sir William Mulock and J. E. Atkinson are behind the organization. The club decided to have an attractive metal button made for each of the 50,000 prospective members to wear. Plans were discussed for the canvassing of the various sections of the city.

## CAR WOULDN'T RUN THO ALL CRANKED

Fruitless Efforts to Make Engine Go When Parts Were Missing.  
A DISAPPOINTED PARTY

Motorcyclist Had Helped Himself When His Motor Had Played Out.

Charles Laidlaw, 214 West Queen street, started out last Sunday for a merry little jaunt on his motorcycle along the Lake Shore road. All went well till he was half-way between Toronto and Oakville, where the machine broke down and he was left stranded on the roadside. Not in the least discouraged, he started to explore the neighborhood, and came across a motor-car minus an owner.

Discovering that some parts of the car would make a substitute for those broken in his motorcycle, it is alleged that he took them with him, and, fitting them to his machine, continued on his journey. Some time afterward the owner of the car, with a party of friends, came along with the joyful intention of taking in the beauties of Nature by a trip thru the country. His friends fled into the car and he tried to crank it. After five or six unsuccessful attempts he doffed his hat and coat and twirled the crank handle until the perspiration streamed down his back, but still the car refused to budge. The conductor of his friends who sat in the car making jest of his failure irritated him and he stopped.

Strength of No Avail. Of the opinion that strength was the thing required to set the engine in motion, a hasty occupant of the car took up the task and circled the crank with such force that he almost lifted the car from the ground, but failure was his reward. He then appealed to the members of the party had tried to start the engine until the eyes protruded from their heads, it dawned on them that something might be the matter with the motor. They lifted the hood and discovered the parts missing.

The chief constable of Oakville was notified and he communicated with the Toronto detective department. Detective Cronin was contacted to the case and he succeeded in placing Laidlaw under arrest yesterday on a charge of stealing the parts of the car.

Had Leg Broken. While taking a free ride on the back of a wagon going south on Church street about noon yesterday, Fred Goodwin, 12 years of age, 544 Church street, caught his left foot in one of the wheels and had his leg broken. The driver of the wagon was William Duddenden, 55 Boston avenue. Goodwin was taken to the Cottage Hospital in the police ambulance.

Daisy Sutherland, 1198 Dufferin street, was arrested yesterday evening by Detective Cronin for shoplifting in the Robert Simpson store.

A Much Wanted Man. According to the manager of the Talm Detective Agency, Capt. James Charnoy is not the man who committed suicide on Thursday night. His name was John Doe, a wild-cat promoter, much wanted by the police in the United States on charges of fraud, who had ended his life to escape arrest. He is said to have jumped a \$2500 bond in Boston, Mass., where he was wanted on a charge of obtaining \$250 from the Hancock Hotel by means of a check. On 29 he eluded the police at Buffalo and came to Toronto, where he registered in one of the downtown hotels. He was recognized by a man and his whereabouts was telegraphed to the authorities in the United States.

Police Found Opium. Chan Yon and Sing Lee were found guilty in the police court yesterday on a charge of keeping and selling opium at 7 Chestnut street and were fined \$20 and costs or 30 days in jail. When the judge imposed the sentence the cans of the drug were found in the yard, buried two feet in the ground under a dog kennel. The existence of the dope was betrayed by a bull pup excavating for it on its own initiative.

Harold Silvester, who was a collector for the J. J. Ryan Company, was convicted in the police court yesterday on a charge of stealing \$100 and sentenced to ninety days in jail by Magistrate Denison. He had gamed the money. Jane Hartshorne, aged 50, who was committed to jail for thirty days on Thursday by Magistrate Denison, for theft from a department store, was found dead in bed yesterday morning by one of the matrons of the prison, alone in her cell. The cause of death is believed to have been heart failure. The body was removed to the morgue.

Colonel George Forster, M.P., has got his New Brunswick battalion nearly up to strength.

## QUICK TIME MADE BY EIGHTY-FIRST

Battalion Broke Marching Records From Niagara via Grimsby to Hamilton.

A STIRRING RECEPTION Yesterday's Recruiting Again Proved Disappointing—Only Six Men Offer.

HAMILTON, Saturday, Nov. 6.—The usual thousands of patriotic citizens crowded Gore Park and the line of march to welcome the boys of the 81st Battalion, under the command of Lieut.-Col. Eston, upon their arrival in this city from Grimsby at 4.30 yesterday afternoon. As the battalion swung into the park, marching with a magnificence that afforded thru the holding up of the trek, their hand played "Well Never Let the Old Flag Fall," and the words were taken up by the citizens and soldiers alike, drowning the roar of the saluting cannon which were fired from the big store overlooking the park. At the city hall a chorus of school children sang patriotic songs. The trip in from Grimsby by train was made at 8.30 in the morning, a record march, the battalion making the best time of any of the troops engaged in the trek. Lunch was held at the Hotel St. John, where the inhabitants supplied their usual donation of pies, cakes and fruit.

Records Broken. Not the slightest difficulty was experienced in holding back the enemy, owing to the fact of the advance guard, which kept the front ahead of the battalion well separated. The battalion has made a reputation for itself in the past, and that both from Grimsby to Hamilton they have broken all marching records, doing this under the heaviest of circumstances. The training in Niagara camp before they were ordered out to take part in the trek. The fact that they have had only one casualty speaks for the condition of the battalion.

In an interview with The World yesterday afternoon, Eston said: "I attribute the splendid record of my battalion to the footwash and inspection which the men have every night. Recruits are sent to the stretcher-bearers from each company every night, and the men may have a blister at the end of the week."

A smoker was held in the evening at the armories for the 81st Battalion boys. After an opening selection by the band, the 81st under Bandmaster W. A. Dowell, under the direction of the 13th Royal Canadian Regiment, gave a program was given by Miss Galt, who is the daughter of the late Adam Brothers. Rev. J. E. Etherington delivered a short address. Recruiting is progressing very slowly, and it becomes more imperative every day that some impetus is needed to stand the trek.

Yesterday six recruits enlisted with the 13th Royal Canadian Regiment and about the same number with the 81st Highlanders. The cry is that the middle class is falling down, and nothing appears to be the solution. The long-expected uniforms failed to appear at the depot headquarters yesterday, but it is believed they are on the way from Ottawa. Measurements and a requisition for more uniforms were sent to those expected, and were received yesterday.

**Eighty-Fourth Coming.** Today the 84th, commanded by Lieut. Col. Stewart, will march direct to the cricket grounds instead of to the armories, and upon arriving at the city they will be the guests of the Tigers at the game with Montreal and expect to reach the grounds before 3 o'clock. The Sportsmen's Patriotic Association has undertaken to supply each soldier with a package of cigarettes as he enters the stand, and 1110 packages will be necessary. Any person who feels like helping can send the cigarettes to the association's headquarters, room 512, Spectator Building. The Tiger Football Club, whose guests the 84th will be at the game, are also undertaking to supply the soldiers with a hot lunch upon their arrival at the grounds. The arriving at least 500 cakes and pies contributions should be sent to H.A.A.A. rooms today by 12 o'clock. If those not being able to deliver the cakes, they will be sent to the ladies of the Ladies of St. Cecilia Chapter, I.O.D.E., who have charge of the distribution.

Citizens, Attention. Citizens who are going to entertain the members of the visiting battalion, which will be here on Sunday, are expected to be personally present in new armories at 12.30 sharp on Sunday, or, failing that, have their representative there, as on account of the large number of men to be distributed (nearly 1000), it would be absolutely impossible for the committee to do more than arrange the distribution, and, of course, the soldiers being unfamiliar with the city, they cannot be

## ASK KINGSTON BARS CLOSED FOR WAR

Public Meeting Passes Resolution Petitioning License Commissioners.

SON TREATED HARSHLY Mrs. Montgomery Objects to Regulations of Convalescent Home.

Special to The Toronto World. KINGSTON, Nov. 5.—Mrs. Montgomery of this city, mother of Pte. Edmund Montgomery, who saw service at the front, and who is now home suffering from shock, in a letter to the press, protests very strongly against the regulations, according to her son, and to other men at the convalescent home here. She says that when the men took a short walk from the home they got seven days in the cell, is this fair treatment for men who have done their duty? asks the writer.

At a meeting of citizens today, the following resolution was passed on motion of Bishop Bidwell, Kingston, seconded by Dr. Macmillan, moderator of the Presbyterian Church of Canada: "In view of the crisis thru which the empire is now passing, which calls for the fullest efficiency and utmost capacity for service on the part of every citizen, be it resolved that an urgent request be presented to the board of license commissioners for Ontario, to prohibit the sale or other disposal of liquor in taverns and shops in this city for the period of the war."

Col. T. D. R. Hemming, commandant of Barrfield camp, says that in motion the resolution, and trusts the request will receive the fullest consideration.

Major W. A. Stroud's squadron of the C.M.R. will be sent to the artillery park dormitories, where it will remain until its quarters in Hamilton are ready.

At a meeting of the Trades and Labor Council a resolution was passed endorsing the resolution of the Hamilton Trades and Labor Council which condemned class legislation with regard to the closing of hotel, club and bar, there was a discussion over the report that subjects of countries at war with the allies were being given employment. A resolution was passed suggesting that the militia authorities take the matter up and have a census of these men taken.

No trace can be secured of Private R. H. Hawley, brother of Miss Dorothy Hawley. He was wounded at the battle of Landriest, and after recovering rejoined his battalion. Late in June he was reported missing after the battle of the Somme. All efforts to locate him have been unavailing. Rev. James W. Macintosh, formerly minister of the Church of Scotland, wrote to one of the German officials who replied that after careful enquiry he had established that Pte. Hawley was neither a prisoner nor in any German hospital.

**GERMANY TO OBTAIN FOOD FROM BULGARIA**  
Arrangements Have Been Completed by Authorities, Says Frankfurter Zeitung.

BERLIN, Nov. 5.—(By wireless to Bayreuth.) The Frankfurter Zeitung says that arrangements have been made between the German and the Bulgarian Governments to bring in food supplies from Bulgaria. A German purchasing commission which has gone to Sofia is being assisted by the Bulgarian Government. The commission is expected to facilitate purchases by the commission of large quantities of fodder and beans.

expected themselves to find the homes where they are to be entertained. Citizens having automobiles at their disposal are requested to assist, even if they are not able to entertain the soldiers by having their cars at the armories at 12.30 to help take the men to the homes of those who have no cars.

The response has been so generous that there will not be sufficient men to go around, and the committee very much regrets having to disappoint some of those citizens who have extended their hospitality to the men.

**Remember King Edward.** In arranging for the local reception to the Hamilton Machine Gun Battalion on their arrival in Niagara next Tuesday, sight will not be lost of the fact that the day will also be the birthday and anniversary of the late King Edward.

Dr. D. G. Storms has subscribed \$1000 for a machine gun, and was also instrumental in recruiting the following crew from the Canadian Club, composed of the Home Guard, to man the gun: F. C. Hornaby, S. Woods, T. C. Cornwall, E. Hoyte, Mr. Rice, Mr. Woods, M. Harris and S. Barker. The Hamilton Medical Society has also subscribed \$1000 for the purchase of a gun.

The 81st Battalion, which will leave this morning for Merton, where camp will probably be made until Monday, will be leaving at 12.30 sharp on Sunday, having a strength of 1026.

## BROKE INTO STABLE WENT FOR A DRIVE

Three Boys Hitched Up Horse, Drove Extensively and Abandoned Animal.

John Middleton, 12, 38 Fritchot street; James Burch, 13, 25 Belmont street; and Fred Henry, 9, 18 Fritchot street, appear to have a deep-rooted inclination for joy riding in a buggy, for after being released on Thursday on a charge of stealing a wagon they again found themselves last night in the hands of the police for taking a horse and buggy from a Yonge street livery stable.

The horse and wagon is owned by Samuel Wilton, 74 Belmont street. It is stated by the police that the boys broke into the livery last evening and hitched up the animal and started off for the east end of the city. They drove as far as the Beach district, turned back and went along the Kingston road, up Danforth avenue, thru Fodornden and finished up in Rosedale, where the horse was abandoned in a bad condition. A mounted officer found the driving outfit and took it to No. 5 police station, where it was identified by Wilton as his property. Detective Young was put on the case and in a short time placed the boys under arrest. They were afterwards released.

## NO TAX REDUCTION ON VACANT HOUSES

Brantford Ratepayers Will Not Receive Allowances for Untenanted Property.

**SOLDIER HEARD FROM**  
Pte. Lear, Who Left Canada at Beginning of War, in Hospital.

Special to The Toronto World. BRANTFORD, Nov. 5.—Property owners whose houses or stores have been vacant for months past, since the war opened, will not receive consideration in the matter of taxes. The court of revision here has decided against making any allowances for properties left vacant, refusing requests for remission of taxes. William Deeken may lose an eye thru a part of a punch press on which he was working dying up and hitting his left eye.

The time of the arrival of the 84th Battalion here for winter quarters is still in doubt. Latest word received this afternoon was that the men would leave Hamilton on Monday via Greyhound. Trunk to Harrisburg, marching in from Harrisburg. This would get them here in the afternoon. Women had started to prepare a hot dinner for them at noon Monday, but this will have to be abandoned. The 84th Battalion is expected to arrive in Brantford on Monday, and the Y.M.C.A. secretary is waiting for the arrival of the men to find out the time of arrival. The contracts for supplies were let as follows: Meat, Matthews Blackwell; groceries, McCann Bros.; coal, Wilton Coal Co.; bread, John Johnston, all of Brantford; jam, E. D. Smith, Winona; tea and coffee to Hamilton firm.

Rev. C. V. Lester, chaplain for the 8th Brigade, Thorncliffe, will be present with a testimonial by the board of education.

Pte. Percy Guy, returned from the front in hospital, applied at the city hall for employment.

**Pte. Lear Heard From.** Writing home, Pte. L. Lear, British reservist, who left at the start of the war for his old regiment, the 2nd Oxford and Bucks Infantry, gives the first information of his whereabouts. He, with four others, was buried in a dug-out by a German shell, one being blown out by a German shell, one being blown to pieces, one suffocated and the other worked under shells to do it. He is in a Canadian hospital.

W. H. Lyburn, recently in the employ of the New London Engine and Ship Co., is visiting in the city. He was one of the engineers who took states that the submarines made 14 knots an hour on an average in the rough waters of the Atlantic, 16 being the highest speed. The only battleships were especially built high for the transatlantic voyage.

## UNCOVER SKELETON ON LOUTH TP. FARM

Crown Attorney to Investigate—Battalion to Make Forced March.

Special to The Toronto World. ST. CATHARINES, Nov. 5.—The skeleton of a full grown man was found by workmen digging a sand pit on a farm in Louth Township, on the Queenston and Grimsby roads today. The discovery was made three and a half feet below the surface of the ground and there was no trace of a coffin. Suspecting foul play the matter was reported to Crown Attorney Brennan, who will make an effort to

## HILLCREST FAVORS CENTRAL COUNCIL

Believe It Would Have Great Weight With Members of City Council.

HELD ANNUAL MEETING President McClelland Re-Elected, But No Others Because of Small Attendance.

The annual meeting of the Hillcrest Ratepayers' Association was held in Hillcrest School, Bathurst street, last evening. Vice-President E. J. Harvey occupied the chair in the absence of President John McClelland, who, however, was unanimously re-elected for the coming year, and the election of the other officers was laid over to next meeting owing to the slim attendance.

Secretary D. Munro reviewed the work of the association for the past year, and expressed satisfaction at the completion of Bathurst hill, the grading of Meigs Park, the erection of the public library, the installation of several postoffice boxes thruout the district, and other necessary improvements, which the association was instrumental in securing.

"Regarding a park for the district, in my opinion, this is not the time to ask for its convenience, as the proposed organization of a central body of the ratepayers' associations thruout the city, and suggested the Hillcrest Ratepayers' Association appoint delegates to that body, and to put thru a resolution endorsing the formation of a central body."

J. B. Balf, secretary of the central organization, said: "It was the unanimous feeling expressed at the formal meeting of the ratepayers' associations recently held at Clinton Street School that an organization of this nature would have great weight with the city government in securing measures necessary for the good of the city."

It was resolved that the Hillcrest Ratepayers' Association are in favor of the formation of a central association and that the president re-elected be present at the next meeting of the organization.

Express Deliveries. Regarding express deliveries, Rev. Dr. Talling expressed his disapproval of the present system and claimed that the delivery companies should be compelled to deliver goods in the northern portion of the city.

Dr. Horace L. Brittain gave an address on "How the City Government Reports to the People Who Pay the Bills," the points of which were approved and adopted in various departments. Ald. J. W. Meredith also addressed the meeting.

## FIRE IN GALT FACTORY

GALT, Ont. Nov. 5.—Fire of an unknown origin did \$2000 to \$3000 damage to the Ontario Hair Works here today. It took the firemen an hour to get the flames under control.

Identify the remains and investigate the cause. The covering of the entire distance between St. Catharines and Hamilton, which has occupied two days, on the schedule of march which has been followed by all preceding regiments, will be attempted in one day by the 76th Battalion, commanded by Lieut.-Col. Ballantyne, which arrived here this afternoon from Niagara. The battalion will start on the 36-mile march to the new hills long before day-break and at dawn will be well on towards Grimsby, the customary stop for the night. The 76th wants to escape the Saturday night and Sunday stay at that point and after a short rest will start on the second leg of the route. The 81st, only battalion left at camp, will reach St. Catharines tomorrow afternoon.
