Labor Trouble at Kingston. KINGSTON, May 1.-(Special .-- With the carpenters, stone cutters, masons and their helpers out on strike, May-Day brought considerable trouble. The

carpenters asked for an increase last year, and after being out a couple of months the matter was loft to aroitration and they were beaten. There was a promise that an increase would come this year, so the request was made. They will likely be given the increase and return to work to-morrow. They have been getting \$950 for eight hours, and ask for 25 cents increase. The masons helpers have been getting 32 for eight hours, and want \$2.25. Th contractors stated this afternoon that they will not grant the request, and the helpers say they will stay out un-

til it is granted. Wages are not involved in the walkout of the masons and stonecutters, bu It is simply a clash between the two. masons claim they should do the cutting on the cornices, but the stone cutters will not stand for it. The contractors have been emleavoring to get both sides together for an agreement, but thus far it has been with out success. As a result the work on the new Metallurgy building at
