BRITISHER RE CUBA.

Minister Shows That Island Benefits By Failure to Get Reciprocity.

Havana, Nov. 20.—Lionel Carden, the British Minister, in a report on the situation in Cuba, says none of the evils so constantly predicted by the advocates of "reciprocity" has come to pass. No sugar estates of any importance were compelled to stop, and the recent crisis, far from being disastrous to the island's prosperity, really has been of immense service to Cuba in the management of their plantations, thus lowering the cost of production and it is thought that plantation expenses will not exceed one cent per pound.

Under the present conditions, the Minister adds, Cuba has no need of any other form of the production of sugar, whether cane or beet.

GIFT FOR SALVATIONISTS.

Cleveland, Ohio, Nov. 20.—The Salvation Army is building a large chapel in this city for institutional work, which will cost about \$80,000. Already \$30,000 has been paid on the building and site.

An appeal to John D. Rockefeller for assistance brought forth the response that if, by May 1, \$30,000 had been paid on the entire cost, he will make the final payment of \$50,000.

Board of Trade Notes.
Paul Jarvis, secretary of the Board of Trade, has received a reply from the Department of Customs at Ottawa to a letter suggesting that E. S. Bury of the customs staff at Dawson give an address before the Board of Trade in this city on the trade conditions in the Yukon. The reply states that a report would be printed in the course of a few days by George Anderson, Toronto, commissioned by the government to report upon the trade conditions in the Yukon during the summer, and that perhaps it would serve the purpose of the board in the matter.

A meeting of the Educational Committee of the Board of Trade will be held this afternoon at 4 o'clock; the Freight Rates Committee will meet on Monday morning to consider the proposed freight rates by the railway companies, and on Tuesday afternoon, at 4 o'clock, a meeting of the Council of the board will be held.

KING'S PLACE ON TOAST LIST

Correspondent Expresses Surprise at Arrangement of List at Falconio Banquet.

PRESENCE OF PREMIER AND MAYOR

Archbishop Defends the Procedure, the Event Being an Affair of the Church.

The World has received the following letter, touching the banquet to Mr. Falconio on Tuesday night:

Editor World: The report in the morning papers of today (Nov. 19) of the banquet to Monsignor Falconio, Papal Delegate to the United States must have been a painful surprise to many of our readers. I am writing this with no desire to arouse sectarian strife. Heaven knows, we have had enough of that in this country, but simply to point out what seems to me a shock to national sentiment. Think of it! In this free country, where authority is well-earned and recognized, where every man is free to exercise his religious and political convictions, a public banquet is held in the capital city of our Province, with the Premier of Ontario and the Mayor of Toronto as guests, presided over by one of our leading judges. At this gathering the toast of the Pope is first honored. It seems almost incredible that this should happen. It had been better, I think, to let the Pope's name go altogether. It must have been exceedingly uncomfortable for Hon. Mr. Ross, by the way, the Mayor deserves more consideration, for he had the courage to dissent from the arrangement. An observer will be that the manifest duty of both these gentlemen, under the circumstances, would have been to leave the hall unless His Majesty, the King had been present. It is regrettable that their attendance at this function had been a purely Catholic gathering, there might have been some apology for giving His Holiness the Pope precedence on a public function, with some of our leading men invited. It is regrettable that the guests to have insisted on the King and Queen, and that the Mayor should have refused to remain. It is regrettable that the Mayor should have refused to remain. It is regrettable that the Mayor should have refused to remain.

SAYS MANSFIELD STRUCK HIM.
Cincinnati, Nov. 20.—Thomas J. Tor, who for thirteen years has been chief property man and assistant stage manager for Richard Mansfield, is no longer with the actor. He is at the Gordes Hotel nursing a sore spot and several bumps on his head, and says Mansfield is responsible for the bumps and sores.

It is asserted that at the close of the last scene in the fourth act of "Julius Caesar" last night Mr. Mansfield became enraged at Tor, and struck him five times on the head with something that hurt so much that Tor was obliged to seek medical attention. Mansfield, he says, snatched from his hand a heavy roll of parchment and, throwing it at him, cut open the side of his face and blackened his eye. Tor avoided further punishment, packing off the parchment, and thereupon causing Mr. Mansfield to select some one else to finish Tor's work for the rest of the performance.

AN INQUIRY TO ITALY.
U.S. New Law Against Illicit Immigrants Raises a Protest.

Rome, Nov. 20.—The Tribune, commenting on the proposed new law of the United States to stop the immigration of illicit aliens, says this measure is a new cruel offence, and an inquiry to Italy. The Journal writes the government to make a protest to the United States government, inasmuch as the proposed measure will strike especially at Italy, whose emigration comprises 90 per cent of the total.

KISSED WHERE BROTHER DIED
Sister of Street Car Conductor Keeps a Strange Vow.

Mount Vernon, N.Y., Nov. 20.—Many citizens who were in the vicinity of the City Hall were surprised to see a woman, heavily veiled and dressed in black, who fell upon the knees at the North Third-street car building and kissed the pavement, sobbing as she did so. The woman, who was the sister of a street car conductor, was injured by a car when it struck her. She vowed to kiss the pavement where her brother died.

Another School Strike.
Chicago, Nov. 20.—The school strike fever has spread to the North Side. The afternoon two policemen from the Sheffield-street station were hurled by a mob of North Side school children.

Ottawa, Nov. 20.—Messrs. O'Leary and Robillard, contractors for the main drain, have presented a bill to the city of Ottawa for \$50,000 for extras.

Arrested for Embezzlement.
St. Louis, Mo., Nov. 20.—P. M. Moffatt, charged with embezzling \$2075 in Hong Kong, is under arrest here.

A GOOD SAMARITAN.
Being Helped Himself, Wishes to Help Others.

The papers were never so filled with advertisements of remedies that will cure every known disease as they are today. These are invariably accompanied by letters from people testifying in the strongest terms to the virtue and merit of the particular preparation advertised, because so much is claimed for the medicine, it has come to the point where most readers regard such testimonials as pure "fakes," and made up out of whole cloth.

Felt No Need to Protest.
I have no desire to reopen the matter," said Mayor Ross when asked to protest against the incident at Tuesday night's banquet to Monsignor Falconio.

GLOBE EDITORIAL.
Toronto Globe: The dinner to Mr. Falconio, Apostolic Delegate to Canada, was a well-conceived tribute to a gentleman who has commended himself to all with whom he has come in contact. His graceful words, complimentary of Canada and its people, are undoubtedly sincere, and Canadians of all classes will regret

\$35,000 IN PIANOS BURNED

Fire Destroys George L. Orme & Sons' Music Store on Sparks-Street, Ottawa.

MOST VALUABLE STOCK IN CANADA

Damage Estimated at \$340,000, With Insurance of \$70,000—No One Hurt.

Ottawa, Nov. 20.—Shortly before 6 o'clock this evening the fire broke out in some waste paper in the basement of George L. Orme & Sons' big music store on Sparks-street, and in an hour damage variously estimated from \$25,000 to \$340,000 was inflicted. The building was one of the finest in the city, and was erected within the last five years. The fire made surprising headway, climbing the elevator shaft, driven by a terrific draft, and in ten minutes great sheets of flames were belching from the roof. Very little of the stock was saved, the employees being kept busy looking after their own safety.

Great Loss of Stock.
The stock was one of the most valuable of the kind in Canada, and it is a total loss. The building, which was built to be fireproof, is not as badly damaged as it seems to be.

It is impossible to tell what shape the walls are in, but there is a strong probability that they suffered very little damage. None of the floors fell in, being supported by strong iron girders. The stock was in the stock. Besides some \$35,000 worth of pianos, Orme carried an enormous stock of the finest English and European violins, hand and other instruments. The warehouses on an upper flat were not injured to any extent, but a very large quantity of water poured in on the pianos, rendering them a loss.

No One Injured.
Fortunately no one was injured, tho for a while it was thought the janitor was a victim of the flames. He turned up later. One of the upper floors was filled up with studios for music teachers, and the fire got in its work in these. There was surprisingly little damage to adjoining buildings. A. J. Stephen and Bon's boot and shoe store was slightly damaged, chiefly by water.

A Henry Orme music hall and Crain Printing Company, established immediately at the rear, were not injured at all. The fire brigade handled the fire well, and had it under in a remarkably short time. The amount of insurance was comparatively small, compared with the loss. It will probably not exceed \$70,000.
