> BASEBALL LONDON'S EASY WIN.

About 300 people braved the weather yesterday and were rewarded by seeing the London annihilate Port Huron in one inning. The chief feature of the game was Umpire McNierney's voice. It was a very remarkable voice, and coaching seemed tame in comparison. It sounded as if it were drawn out of him by a mustard plaster, and caused him much pain, but McNierney appeared to enjoy the sensation it created, and smiled when the bleachers asked him if his teeth ached. It is impossible to describe that voice, be-cause nothing like it was ever heard here before, though it bore vague resemblances to a buzz-saw, a bullfrog, a steam callione and a foghorn in turn. However, this is a free country, and as the voice belongs to McNierney, he may do as he pleases with it, provided he does not disturb the peace. As an umpire, his work yesterday was good, but the game was not a severe

The Port Hurons justified their title as the loudest talkers in the league. They were not offensive, however, and until the fourth inning disheartened them they worked like beavers. Their spirited coaching is something the Londons should try to imitate. visitors started off at a terrific pace, taking great liberty with Carson's curves. When they had finished their half of the first inning a heavy shower set in, causing a suspension of play for fifteen minutes, while the teams sought shelfer in the grand stand. This made it difficult for the pitchers to control the ball, and caused a lot of loose field-The Londons jumped on Kern in last place. from the first, and in the fourth played Accorsini was at the plate five times havor with him. In the remaining seven innings only two hits were made off the big left-hander, despite the advantage strikes out, or to sass back a fool in which wet grounds gave to the batters. The Londons secured such a cinch in the fourth that excitement dropped and many of the audience went home. Carson opened it by drawing a pass. Meara struck out, and Howell and Keenan reached first on errors. The bases were

ST. THOMAS MADE A GOOD FIGHT. Bay City, Mich., May 27 .- St. Thomas shows wonderful improvement since its first appearance here, and nearly gave the locals a defeat yesterday. Bay City had everything its own way until the ninth. It was one, two, three for the visitors, the locals scoring in 17th and in the ninth. Then St. Thomas turned in and lined out four hits, netting four earned runs. This took the locals by storm, but they rallied in the tenth, and an error by Rodden, assisted by daring base-stealing by Lowney and a double by Popkay, netted the winning

HOT GAME AT STRATHROY. Strathroy, May 27 .- Varsity played a ten-inning game here yesterday, resulting in a draw. Both teams batted well at times, but Varsity's errors were rather costly. Parry made a beautiful catch of a foul ball. MoBeth again caught a grand game, allowing no stolen bases. The batting of Barron, Boyd, Lucas and Graham were features.

EASTERN LEAGUE'S TROUBLES. The magnates of the Eastern League are sorrowing because every team in the association is losing money at the rate of \$100 per day, and a general shaking up is in store. In Springfield Manager Billy Lush has already handed in his resignation, saying that he finds it impossible to play ball and also manage the team successfully. Rochester is already undergoing the process of reconstruction, and the Buffalo magnates are kicking at the rate of a mile a minute.
