MILITARY CROSS IS PRESENTED FRIDAY TO MAJOR J. MILLARD

Major John Russell Millard, second in command of No. 1 District Depot here, received the military cross from the hands of Brig.-Gen. L. W. Shan-non, C.M.G., officer commanding this The presentation was made at the armories before the staff of the district depot and a large attendance of men in khaki. The decoration was awarded to Major Millard for bravery on the field. The official gazette states that "though twice wounded in an attack Major Millard refused to be evacuated from the field until the position had been consolidated and cheered tion had been consolidated and che on his men by his example."

Ends Stubborn Coughs § in a Hurry

For real effectiveness, this old homemade remedy has no equal. Eas-ily and cheaply prepared. ***********************

try this famous old home-made remedy.

Anyone who has coughed all day and all night, will say that the immediate all night, will say that the immediate relief given is almost like magic. It is very easily prepared, and really there is nothing better for coughs.

Into a 16-oz. bottle, put 2½ ounces of Pinex (50 cents worth); then add plain granulated sugar syrup to make 16 ounces. Or you can use clarified malasses, honey or corn syrup instead molasses, honey, or corn syrup, instead of sugar syrup. Either way, this mixture saves about four-fifths of the money usually spent for cough preparations, and gives you a more positive, effective remedy. It keeps perfectly and tastes pleasant—children like it.

You can feel this take hold instant-You can feel this take hold instantly, soothing and healing the membranes in all the air passages. It promptly loosens a dry, tight cough, and soon you will notice the phlegm thin out and then disappear altogether. A day's use will usually break up an ordinary throat or chest cold, and it is also splendid for bronchitis, croup, whooping cough, and bronchial asthma. Pinex is a most valuable concentrated compound of genuine Norway pine extract, the most reliable remedy for throat and chest ailments.

To avoid disappointment, ask your

To avoid disappointment, ask your druggist for "21/2 ounces of Pinex" with directions and don't accept anything else. Guaranteed to give absolute satisfaction or money refunded. The Pinex Co., Toronto, Ont.

the campaign. Sheriff D. M. Cameron still holds the office acceptably filled by him for some twenty years, that of president of the society.

portunity to grow up healthy, vigorous citizens.

A strong canvass committee is being organized, and the campaign will be first definite appeal for funds. When

J. Knowles; secretary-treasurer, H. Rymill; financial secretary, E. Shrives; conductor, D. Holt; warden, E. Brooke; auditors, R. Beer, C. Short; arbitration board, Hollowell, H. Hicks, F. G. Moon; trustees, H. Vandy, C. Walker, D. Holt; deputy, G. Bridge; alternate deputy, E. Foxworthy.

After business was finished, a social evening was enjoyed and light refreshments served. used for the erection of a children's home. Mr. Purdom turned this over to the Children's Aid Society as an organization which would put it to good service. The "Thomas Alway Hall" on Wharncliffe road, rose as a memorial to the purpose when he delicated the characteristics are the services.

We haven't been able to trace two per ent of the children we have cared or who haven't turned out well."

Less Than Two Per Cent.

Less than two per cent failure. And in this connection it must be borne in hind that a large percentage of these ittle ones have been neglected, detelent, destitute, and delinquent children, children many of them with

The idea of a "365 Club Fund" was evolved. The plan was to endeavor to raise \$3,650 to support the shelter and allow for repairs for one year, on a basis of \$10 a day, as the required amount for maintenance. Each subscriber of \$10 thereby purchased a "one day's share of interest" in the shelter and insured its maintenance for one heir lives in the great war. Many, and are the letters that have come back from overseas in the past four years, breathing confidence in and affection for the benevolent inspector who has been a good grandfather to the past four all series of \$10 thereby purchased a "one day's share of interest" in the shelter and insured its maintenance for one day. Some people were so greedy (?) they wanted two, three, half a dozen, a dozen shares. Organizations entered the competition with individuals to become shareholders. As a result of the come shareholders. As a result of the plan the full amount was raised and and gently rub the "aching nerves," society tided over a difficult period.
And now still greater extension of

And now still greater extension of the work is immediately required. A long felt want has been an infants' department. At the present only chil-dren over two years old can be cared for. Like the Chamber of Commerce. he Children's Aid Society has a hi rogram of work, but with chara modesty, it isn't saying much

You'll never know how quickly a concerned the saving of life and cut ad cough can be conquered, until you ting down to the minimum infant more ality is declared by leading scientists, by the men and women of the con-inent, who have the welfare of their countries most at heart, that child welfare is the biggest patriotic work any nation can undertake at this time, the view of the wastage of war, and what the saving of child life means to the future of the nation.

Well Baby Clinics. At present the London Child Welfare Association is devoting attention to the establishment of three "well baby clinics" in different sections of the city, supremely important preventive and educational work.

In view of the fact that infant mor-tality in many places has been cut in half through well organized child wel-fare efforts, those promoting the campaign haven't any doubt that both th child welfare work in the usual acceptance of the term, and the child welfare work as it is understood by the Children's Aid Society will receive generous support.

By the way, so interested are some of the citizens that they can scarcely wait till the canvass gets under way

o drop in their contributions. Inspec tor Joseph Sanders has received al-ready from one public-spirited citizen a check for \$500. a check for \$500.

As acting president of the Children's Aid Society, D. H. McDermid is director-general of the organization of the campaign. Sheriff D. M. Cameron still holds the office acceptably filled

Is Your Morning Toast the Best In the World?

r ES, if you make it with NEAL'S ALOAFA BREAD. We made certain in perfecting this faultless bread of ours that it would be as good toasted as it is in general table use,

You cut a slice of NEAL'S ALOAFA BREAD to just the thick-

ness you like it, then put it on your toaster. Notice how fast it browns, and how evenly, turning to a rich golden color that promises well for the taste-feast to follow. How hungry its appetizing As the surface turns rapidly brown, it forms a thin, crisp protection for the inside bread; so that, if you prefer your toast

crackly outside but softer inside, you take it off the toaster at this stage. If you like very crisp, brittle, crunchy toast, leave the slice

on until it reaches the degree of dryness desired. NOW!-butter, good and fresh. Spread it on-fill every little cell and crevice. Let it melt into the hot firm toasted surface. Eat it without delay—while warm. Notice the delicious flavor-blend created by the mingling of the rich creamery butter and the rare wholesome relish in toasted NEAL'S ALOAFA BREAD

We say to you in all earnestness—you don't know how good toast can be unless you've eaten it as produced with NEAL'S ALOAFA BREAD.
