Stringent Financial Condition Hit Canadian Merchants.

This is a nerve-racking age—not a man in an office or behind the counter, striving hard to get on in the world, that does not feel the strain.

If nerves are in order, a man is strong, eats and sleeps well. Unstrung nerves means weakness, worry, sleeplessness and a general decay of bodily strength.

Most men are careless of their health. They trust to luck and that kind of thing, instead of taking Ferrozone for a few weeks when they feel dull in the morning, or when they sleep poorly or lose appetite.

Letters of Credit.

Letters of credit of considerable magnitude were established in over-seas countries by Australian banks prior to the Australian financial stringency becoming pronounced. These credits covering forward purchases extending over a period of months will be duly honored, but when they are exhausted there is no immediate prospect, says Mr. Ross, of further credits for large amounts being available, although limited credit in some quarters may be Letters of Credit.

ada's lumber trade with Australia, Mr. Ross says:

"When Credits Expire.

"When the present credits expire the question is how Canadian exporters of lumber and other essential commodities are to be reimbursed for their shipments to Australia: It is anticipated that some shippers will be able to finance their usual trade through the possible assistance of Canadian banks, but there are others who may be unable to find the necessary accommodation. If Canadian banks are disposed under arrangements with their customers to extend the accommodation necessary for maintaining exports from

Canada to Australia, the temporary disability caused through buyers being unable to provide credits will be soived. If not, it is apparent that Canadian exportations to Australia will speedily show a marked diminution in quantities and contraction in value."

Where is the man who won't take advantage of this opportunity? He cannot hope to earn promotion in his chosen work nor to make as much money as his fellow workman who is free from

Dangers of Bad Blood Overcome

NO MATTER THE MAN, WHETHER YOUNG OR OLD, SINGLE OR MARRIED, HE CAN NEVER FEEL SAFE AS LONG AS HIS BLOOD IS NOT HEALTHY. THE FACE, BODY, BONES, NERVES AND BRAIN MAY BE AFFECTED ANY DAY WITHOUT ANY WARNING, AND THE SYMPTOMS SPRING ON YOU LIKE A THIEF IN THE NIGHT, SO, IF SUFFERING, DON'T GROW CARELESS. REMEMBER THE DANGER. BE WARNED IN TIME, THE BEST TREATMENT IS WHAT YOU WANT, AND AT ONCE.

### YOU CAN DEFY DISEASE-WHY SUFFER AND DELAY? **NEGLECT IS DANGEROUS**

There is nothing in the world more dangerous than neglect. Nothing 'else as responsible for so much suffering and disaster. Trace the cause of misfortune and you will find that somewhere neglect had a part. Neglect is more dangerous than disease. It is usually through neglect that little ailments come, and through little aliments come, and through neglect that they grow serious, undermining the constitution, and reach an incurable stage. My success in treating difficult cases of long standing has made me a well-known specialist in this and surrounding territory in treating men's diseases. This success is due to several things. It is due to the study I have given my specialty; to my having ascertained the exact nature of men's aliments, and to the original distinctive and thoroughly scientific methods of treatment I employ.

## Thin, Impoverished Blood---General Weakness---Emaciation

—BLOOD—It is absolutely impossible to be well and strong, pulsing with life and energy, if the organs and tissues of the body are not properly nourished with pure, rich blood. When you reach the point where nature's building-up process falls to keep pace with the tearing down process, old age begins to set in, even though you may be young in actual years. Impure, sluggish blood is the direct cause of a multitude of ailments. YOUR WHOLE HEALTH OF BODY AND MIND DEPENDS ON YOUR BLOOD. Any "building process" of the body and mind, of the muscle and tissue formations, of any of the various vital organs, can be accomplished only by working direct through the blood stream.

Be a Real Manly Man---Enjoy Life---Health---Happiness

YOU WANT HEALTH—health that knows no aches nor pains whatever—health that gives life a new zest and makes it really worth while. When your nerves are steady. When your mind is at rest. When you sleep soundly all night. When you can work hard, either with brain or muscle, and then enjoy the pleasures of life like other healthy men. WHAT UNSPEAKABLE JOY IT IS TO HAVE HEALTH LIKE THAT! HOW YOU LIVE EVERY MINUTE OF THE DAY! How soundly you sleep at night, and how refreshed you feel in the morning! How keenly you relish your meals! What energy you show in your work, how your eyes sparkle! Why suffer another hour, when sure, quick relief is at hand? Come it today and start on the road to health. FREE CONSULTATION.

Catarrh of the Stomach---Ulcers STOMACH TROUBLE—You know quickly enough when you have a bad stomach. When you have heartburn and indigestion, sour, gassy stomach. Many people will be surprised to learn that such a long train of ailments can be traced to Auto-Intoxication. The ailing man thinks the condition of the stomach is due to something eaten. This may be true to a certain extent but remember this, that the mere fact that you do suffer this way is a pretty sure sign that something further is wrong with you. I WANT TO TELL YOU WHAT YOUR TROUBLE IS. If you are one of those who have tried everything, but still have found you are one of those who have tried everything, but still have found no relief, I WANT TO TREAT YOU. I want to show you that you need not suffer longer.

BACKACHE—What a multitude of pain-racking ailments may cause backache. Any of the errors of a man's whole life may be the cause of backache. Any part of the back may ache and pain you, and make your life miserable. You go on thinking it will get better, when, in fact, that very ache is trying to tell you that there is something seriously wrong with you. You wonder why you are losing ground—you wonder why your nervous energy is low, and you worry and wonder if it could be a fatal disease. YOU CAN FIND OUT IN TEN MINUTES IF YOU WILL CALL ON ME FOR AN EXAMINATION. It has been my business for years to tell men what was wrong with their health, and to give them treatment.
