### SENATE WOULD LIVE ON ENLARGE ITS ACTIVITY

Representation of Maritime Provinces Should Be Preserved, Thinks Senator Davis.

said that having had experience in both chambers, he could say that work was better done in the senate was a part of the federation compact work was better done in the senate which could not be abolished. He than in the commons. There was no would have the western provinces great feeling in the country favoring grouped as the Maritime Provinces abolition, but there was a feeling in had been, and have them assigned rely given a demonstration of the need centre of population, the senate would of a second chamber. If there had become more and more a protection been a second chamber in Manitoba of minorities. To be effective the senthe telephone deal, which saddled the province with a charge of three or four millions, would not have gone thru without the people having an option of the senate should be given more original legislation, more government representation by ministers or under secre-

portunity to express an opinion.

Senator Davis declared that the Maritime Provinces were not growing fast enough and their representation in the commons was diminishing and the commons was diminishing and the commons to the common to the comm would approach the vanishing point. of many suggestions for changes in The representation of these pro-vinces should be preserved in the sen-not desirable that the senate should ate. He would have senators elected pronounce on it at present, but that every second term of parliament; more legislation should be initiated in battled for by a whole province; would crown should have seats in the senate, battled for by a whole province; would crown should have seats in the senate, have property qualification for sena- and that any minister may introduce The railway, as before, is acting unwould have vacancies in the both chambers .. senate filled by ballot of senators,

sion there were 158 new members re-ceived into the church, making the present membership 774. Altho the session recommended the appointment of an assistant pastor at a salary of of an assistant pastor at a satary of \$600 per year, and also that the board of managers finance the Sunday school in order to allow the contributions of the children to go to foreign mis-

ed to \$8379.33. The recommendation of the senate to purchase individual communion cups for the church was adopted. Rev. Dr. Pidgeon explained that for sanitary reasons alone the recommendation was commendable, as he knew cases where people who otherwise would be communicants remained away from the service rather than drink from a cup handed round indiscriminately.

minately.
Will Organize Society. To fill vacancies on the board of management these names have been added: R. L. McCormack, Peter Ellis, A. J. Gillies, Dr. Clendenan, John A. Reid, Fred Adams. Auditors—W. R. Sheppard, John A. Howson.

The congregation, by a unanimous vote, decided to raise the pastor's stipend from \$2100 to \$2400.

The managers have decreased the

Davis resented the claim The funeral of George Thomas senate was a useless bill of Baine, who died suddenly Sunday evening at the C.P.R. stores department, took place this afternoon to Prospect Cemetery, and was largely attended. The members of the local Sons of England lodge met in a body

day and resulted in half the steel tire being broken off by the snap.

While the mother and daughter of Mrs. David Walton of Clendenan-Mrs. David Walton of Clendenan-avenue were out driving this after-noon the horse ran away on South Keele-street and upset the cutter. Both occupants were thrown to the ground, but except for a shaking up they escaped unhurt. The horse was stopped about 300 yards from the scene of the accident.

William Montgomery, a former resident of the Junction and an ex-em-ploye of the C.P.R., is dead at Havelock, Ont., where he has resided for several years.

The Toronto Junction v. Toronto Railway case was to-day adjourned until Feb. '8, at 11 a.m., by the On-tario Railway Board. Solicitor An-derson, on behalf of the town, com-plained that some of the street cars still Y-ed at Humberside instead of at have the matter examined, and the

RIVERDALE.

teenth annual congregational meeting of the St. John's Presbyterian Church value of buildings total \$2,945,192. is 173,697 bushels more than was lightered the year previous. Of the amount lightered 1,300,000 was reloaded again at Port Dalhousie. Reloaded again at Port Dalhousie. Residue of grain for domestic use fell the principal business under continuous to the continuous properties and the continuous properties sideration was the submission of the report of the "building committee"

The total cost of the new church is \$53,591, of which all but \$30,000 has,

Budget of County News,

TORONTO JUNCTION, Jan. 29.—The said chirch is and the past year.

The twenty-third annual meeting of the congregation of Victoria Presbyterian Church was held to-night, Peter Ellis, chairman of the board of managers, presiding. The acting secretary was William Wyles. Except for the financial support of Rev. Dr. Buchanan, the congregation's missionary in India, in the fund for whose support there is a deficit of \$100, the reports show that each department has made rapids strides and progressed all along the line during the past year.

According to the report of the session there were 158 new members received into the edurch, making the base of the count of the session there were 158 new members received into the edurch, making the base of the count of the count of the count of the session there were 158 new members received into the edurch, making the base of the count of the count of the count of the session there were 158 new members received into the edurch, making the base of the count of the count of the session there were 158 new members received into the edurch, making the base of the count of the count of the session there were 158 new members received into the edurch, making the base of the count of t

Town Council Are Only Too Anxious to Welcome Industries.

NORTH TORONTO, Jan. 29.—Members of the town council state that evidently a wrong impression went abroad, giving rise to the idea that the council were antagonistic to having manufacturing concerns located in the proposed fire limit. The members of the council are on the contrary, desirous of having some industries started in town, and all the council proposes is to regulate the location and class of buildings in connection with such industries.

The Anglican Young Péople's Society of Christ Church, Deer Park, enjoyed a lantern lecture at their weekly meeting in the school room last night. The lecture was given by Dr. Risk.

COUNTY COUNCIL.
