ST. ANDREW'S CHURCH AND SUNDAY CAR.

Rev. Principal Grant, in his address at the McCaughan induction, referred to a matter that vitally affects the future welfare of the leading Presbyterian church in Toronto. Speaking of the situation of St. Andrew's Church, located as it is in the centre of the city, he is reported as follows:

While referring to the allegiance which its members had shown for St. Andrew's Church, Principal Grant touched upon the difficulty which many of them, living at such long distances from the church, had to overcome weekly in their faithful attendance. He said when a man, on week days, had to jump on a street car and find himself conveyed to his place of business down a long street, to walk two or three miles to attend service, it was no joke.

It will be remembered that a discussion arose among the members of the church, shortly after the late pastor's death, as to the advisability of selling the property on which the church stands and erecting a new edifice in the centre of one of the leading residential sections of the city.

The church, in the present situation represented the greatest situation in the city. Of all occasions he should be present when a bill affecting the city of Toronto is up for discussion. Mr. St. John appears to have had a brief for the parties who were opposed to the city's interests. But the member for West Toronto eclipsed them all in his betrayal of the people. So brutal and shame-faced was his betrayal of their rights that several country members, who were in no way personally interested in the bill, felt called on to check him. Mr. Conmee, for instance, called Mr. Crawford's attention to the fact that the bill had been introduced by a member of the Council, which body represented the citizens of Toronto. Mr. Conmee gave the committee good advice when he told them that the Council knew more what was in the interests of the citizens of Toronto than did the members of the Private Bills Committee. Mr. Middleton, the member for East Hamilton, also felt called on to protest against the outrageous views expressed by Mr. Crawford. The people of Toronto would be much obliged if Mr. Crawford would resign, and the quicker he does it the more will they appreciate the act.

THE MEN WHO REPRESENTED TORONTO.

Thomas Crawford, representative of West Toronto in the Local Legislature, yesterday made a bold show of himself in the Private Bills Committee. He proved how totally unfit he is to occupy the position which the people, in a moment of weakness, elected him. In the face of all the evidences of the popularity of the proposed Island railway extension, he had the effrontery to tell the committee that no one was taking for an Island service. As far as he could learn only three people supported it. He was in favor of throwing out the Island agreement altogether. It is a pity the people were not empowered just at the present time to throw him out. If they were, the alleged representative of West Toronto would fall somewhere with a dull thud. Toronto has been absolutely deserted and betrayed by all her representatives on the committee. Crawford leading was the worst. Dr. Ryerson didn't show up at all, although he is a member of the committee. Of all occasions he should be present when a bill affecting the city of Toronto is up for discussion. Mr. St. John appears to have had a brief for the parties who were opposed to the city's interests. But the member for West Toronto eclipsed them all in his betrayal of the people. THE CLEVELAND BICYCLE.

Just at this season of the year, when so many intending purchasers are looking around and comparing the different grades of bicycles, it happens to look pretty bad for the Cleveland Bicycle. It is a good idea to inquire, and if possible, inspect the Cleveland Bicycle. It is a good idea to inquire, and if possible, inspect the Cleveland Bicycle. A Strange Coincidence.

The Dominion Express Company has met with a strange coincidence. On the same day, the 24th inst., in the person of James Doherty, a boy in the Cleveland Bicycle, who was riding on a bicycle, he was struck by a car. The car was driven by a man who was also riding a bicycle. The car was driven by a man who was also riding a bicycle.

Car Bumped the Bike.

At 3 p.m. yesterday W. H. Miller, 317 Carlton-street, was riding in College-street ahead of motor car No. 246. The motorist bumped the bike, but Miller evidently did not hear it, as he did not leave the track. The result was that Miller's bicycle was broken, as the car could not leave the track without bumping the bike.

The Hit of the Season...

is made by Ayer's Sarsaparilla. Just at this season when Spring and its debilitating days are with us, there is nothing like Ayer's Sarsaparilla to put new life into the sluggish system. It sweeps away the dullness, lack of appetite, languidness, and pain, as a broom sweeps away cobwebs. It does not brace up. It builds up. Its benefit is lasting. Do you feel run down? Take Ayer's Sarsaparilla.
