* The column of Church Members includes all who having been baptized in the Church do not profess to dissent from its doctrines or discipline.

† This column includes money *actually paid* to Endowment Fund in 1861.

‡ This column contains the amount promised to Endowment Fund, as reported to the Bishop by the Clergy.

The above table is compiled from the annual returns of the Clergy, who have in some instances omitted some of the particulars required. To this cause must be attributed the occasional blanks, and probably a few errors.
